WHEREAS, the City and the Authority further authorized an amendment to the 2012 IGA and the 2012 Promissory Note by a Second Amendment approved by the City Council by Resolution 2016-18 on February 1, 2016, and by the Authority by Resolution URA 2016-03 on February 1, 2016 (“Second Amendment”), by which the City agreed to loan to the Authority, and the Authority agreed to repay, an additional \$100,000 to allow the Authority to conduct environmental abatement, demolish structures located at MHGP, and other authorized uses as part of an urban renewal project, but no record of an executed Second Amendment can be located;

WHEREAS, the parties desire to supersede, amend, and replace the 2011 IGA and the 2011 Promissory Note and the 2012 IGA and the 2012 Promissory Note, as each has been amended, to clarify certain matters, to confirm the Second Amendment, and to increase the loan amount and repayment obligation in the amount of \$6,681,590 for the purposes of allowing the Authority to make contributions toward affordable housing, if necessary, as provided for in the Purchase and Sale Agreement, to complete a payment obligation as provided for in the Owner’s Representative Services Agreement, and to fund the regional stormwater pond on behalf of the City, as set forth herein.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, the sufficiency of which is expressly acknowledged, the parties hereby agree as follows:

**I. Loan Terms.**

A. Loan. The City will loan \$13,531,590.00 (“Loan Amount”) to the Authority for the following purposes related to the redevelopment of the MHGP as an urban renewal project, as defined in the Plan, as it may be amended, including the following purposes and such other uses authorized by the Authority’s Executive Director to support the activities of the Authority (“Loan”):

1. \$4,000,000.00 for the purchase of the MHGP and other authorized uses in support of the Authority;
2. \$2,850,000.00 for the environmental abatement and demolition of structures on the MHGP and other authorized uses in support of the Authority;
3. \$3,750,000.00 for the use by the Authority as “Affordable Housing Funds,” as defined and intended in the Purchase and Sale Agreement, as it may be amended;
4. \$431,590.00 for use by the Authority as the “Lump Sum Payment,” as defined and intended in the Owner’s Representative Services Agreement; and
5. \$2,500,000.00 for use by the Authority, on behalf of the City, as funding for the “Regional Storm Water Facility,” as defined and intended in the Purchase and Sale Agreement, as it may be amended.

The parties acknowledge that the Loan Amount has been provided by the City to the Authority as of the Effective Date. The Authority will use the Loan amount solely for the purposes authorized by this Agreement. In consideration for the deferment of interest from the 2011 IGA and 2012 IGA and renegotiation of the terms of repayment, and other consideration, the Authority will utilize Loan funds to make the payment for the Regional Storm Water Facility to satisfy the City's obligation for such facility, as defined and intended in the Purchase and Sale Agreement, as it may be amended.

B. Interest Rate. The Loan Amount will accrue interest on the unpaid balance at the rate of four percent (4%) per annum ("Interest"). Interest shall accrue beginning as of the earlier of: (1) the issuance of the first building permit on the MHGP after the Effective Date; or (2) one (1) year from the Effective Date. No interest shall be deemed to have accrued under the 2011 IGA or the 2012 IGA prior to the Effective Date.

C. Repayment. The Authority will repay the Loan Amount in ten (10) equal annual installments, plus accrued Interest as of the date each installment is due and payable. The Loan Amount will be due and payable beginning as of the earlier of: (1) the issuance of the first building permit on the MHGP after the Effective Date; or (2) two (2) years from the Effective Date. The Authority may repay the Loan Amount and Interest at any time and without penalty.

D. Promissory Note. The Loan shall be evidenced by a promissory note ("Note") executed by the Authority substantially in the form attached as Exhibit "A."

## **II. General Provisions.**

A. Effect. The 2012 IGA and the 2012 Promissory Note, as amended, and the 2011 IGA and the 2011 Promissory Note are superseded and replaced by this Agreement. The 2011 Promissory Note and 2012 Promissory Note shall be canceled upon execution of this Agreement and the Authority's execution and delivery of the Note.

B. Amendments. This Agreement and the Note contain all terms agreed upon by the Parties. Any amendments or modifications of this Agreement shall be reduced to writing and executed by the Parties in order to be valid and binding.

C. Severability. If any provision of this Agreement or its application is held invalid by a court of competent jurisdiction, such invalidity shall not affect other provisions or applications of this Agreement, which can be given effect without the invalid provision or application consistent with the intent of the Parties.

Enforcement of the terms and conditions of this Agreement, and all rights of action relating to such enforcement, shall be strictly reserved to the City and the Authority, and nothing contained in this Agreement shall give or allow any such claim or right of action by any third person on this Agreement. The parties expressly intend that any person other than the City or the Authority receiving services or benefits under this Agreement shall be deemed to be an incidental beneficiary only.

F. Waiver. No failure by either party to insist upon the strict performance of any covenant, duty, agreement, or condition of this Agreement, to exercise any right or remedy as a consequence of a breach of this Agreement, shall constitute a waiver of any such breach or any covenant, agreement, term, or condition.
