

# Mile High Greyhound Park Loans

January 6, 2019

# Purpose

- Provide an overview of the City and CCURA obligations for the Mile High Greyhound Park project
- Request approval of the IGA

# Existing City Loans to URA

- \$4,000,000.00 for the purchase of the property -2011
- \$2,850,000.00 for the environmental abatement and demolition of structures -2012-2016
- \$3,750,000.00 for “Affordable Housing Funds” - 2019
- \$431,590.00 for the “Lump Sum Payment,” per the Owner’s Rep Agreement - 2019
- \$2,500,000.00 for the Regional Storm Water Facility, per the Purchase and Sale Agreement - 2019
- Loans total \$13,531,590 - 2019

# Repayment Obligations

- The CCURA agreed to repay the loans for the purchase of the property, and environmental abatement
- The amended and restated IGA increases the City's loan amount and the CCURA's repayment obligation to allow the CCURA to make additional contributions to:
  - The affordable housing project
  - Pay for the regional Stormwater detention pond
  - Make payments to the contracted Owner's Representative

# Repayment

- The loan will have a 4% interest rate
  - All amounts are due in annual installments for 10 years
  - Interest rate will start when the first building permit is issued for the residential development, OR two years after the agreement is signed

# Board Action

- CCURA must decide whether to approve the amended and restated IGA
