

RESOLUTION APPROVING MAINTENANCE CONTRACT FOR BEACON COMMUNICATIONS

NO. 2020-20

WHEREAS, the City of Commerce City (“City”) has previously contracted with Beacon Communications, LLC (“Beacon”) for the regular repair, maintenance, and replacement of technology and equipment used in the access control systems of City facilities (“Services”);

WHEREAS, City staff has recommended that the City re-engage Beacon to perform the Services for another three-year term at a cost of \$389,278.38 for the contract’s base Services;

WHEREAS, City staff further requests that the City Council authorize expenditures of up to approximately \$80,000 per year for additional services or repair/replacement of equipment outside the scope of the base Services on an as-needed basis in accordance with the provisions of the finalized contract, for a total compensation amount not to exceed \$630,000.00 for the entire three-year term;

WHEREAS, because the access control equipment and systems that the City currently use are proprietary and may only be maintained by Beacon and its selected subcontractors, the procurement of the Services without competition has been approved pursuant to the City’s Procurement Policy;

WHEREAS, the cost to the City for the Services over the anticipated life of the contract will exceed \$250,000.00 and, pursuant to the City’s procurement policies and the City Manager’s commitment to the City Council, the City Council must approve any procurement in excess of \$250,000.00;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF COMMERCE CITY, COLORADO, AS FOLLOWS:

1. The City Council hereby finds and determines that the award of the contract to Beacon is and shall be in the best interests of the residents of the City.
2. The award of the contract for the Services to Beacon is hereby approved, subject to the execution of a written contract and the annual appropriation of funds.
