Case Request

- Request: Zone Change from AG (Agricultural) to C-3 (Regional Commercial District)
- Request will bring the existing use into compliance with current Development Code Standards
- The proposed Zone Change will allow property owner to expand its footprint in accordance with LDC Commercial Standards.
- Property owner intends to lease a part of their property (Approx. 900 S.F.) to construct a new concealed telecommunication tower in the rear of the property. Requires approval by BOA

Proposed Development

DRT Analysis

- Existing property meets all C-3 design and bulk standards
- C-3 is appropriate zone classification due to its arterial location and proposed improvements.
- Applicant intends to invest in improvements for the property, but the Agricultural zoning status limits the types of upgrades available for the property.
 - building expansions to include the concealed tower not allowed under current zoning
- Meets all approval criteria for zone change

Zoning Approval Criteria

- Consistent with the policies and goals of the city Comprehensive Plan
- Compatible with the area and surrounding uses
- Adequately served by utilities amenities
- Serve and balance the uses in the surrounding area
- Public interest in changing zoning to match use
