## 1. INVITATION

The City of Commerce City ("City") is soliciting proposals from qualified vendors ("Respondents") to provide Environmental Policy Development, Air Quality Monitoring Services, and Water Quality Monitoring Services ("Services"), as described in this Request for Proposals ("RFP"). The response to this RFP (a "Proposal") should serve as a complete approach to providing the Services. The objective is for Respondents to submit sufficient information to allow the City to select one or more Respondents to provide the Services on a non-exclusive basis and to enter into one or more contracts for a **six (6) month** period with **up to four (4) six month renewals as necessary**. The selected Respondent(s) will be expected to enter into a Master Service Agreement (Attachment A) with the City consistent with the terms of this RFP.

Submission requirements and deadlines are detailed in Section 6 of this RFP:

- Questions regarding RFP requirements must be received by **Domenic Martinelli, LEED AP, Environmental Planner** in writing at **dmartinelli@c3gov.com** by **5:00 PM MT on Friday, October 09, 2020**.
- **Proposals must be received by 5:00 p.m. MT, on Friday, October 30, 2020.** Late Proposals will not be accepted.

The City reserves the right to modify this RFP or the selection process, to cancel this RFP, to reject or accept any Proposal, and to waive any informalities or irregularities in any Proposal, without liability, at any time.

All Proposals shall become the property of the City, will not be returned, and will become a public record. Respondents may request parts of their Proposals to remain confidential by indicating such in the Proposals and on the appropriate proprietary or financial pages. **The City will keep confidential only documents protected from disclosure under the Colorado Open Records Act (the "Act").** An entire Proposal shall not be marked or identified as confidential. **By submitting a Proposal, each Respondent agrees to hold the City harmless from any claims arising from the release of confidential information not clearly designated as such by the Respondent or from the release of documents not protected from disclosure under the Act.**

Respondents are cautioned not to undertake any activities or actions to promote or advertise their submittals, other than discussions with City staff as described in this RFP. After the release of this RFP, Respondents are not permitted to make any direct or indirect contact with members of the Selection Committee, the City Council or media on the subject of this RFP, except in the course of City-sponsored presentations. Violation of these rules is grounds for disqualification of the Respondent.

## **2. SELECTION SCHEDULE /KEY DATES**

The solicitation and selection process includes the following steps and schedule:

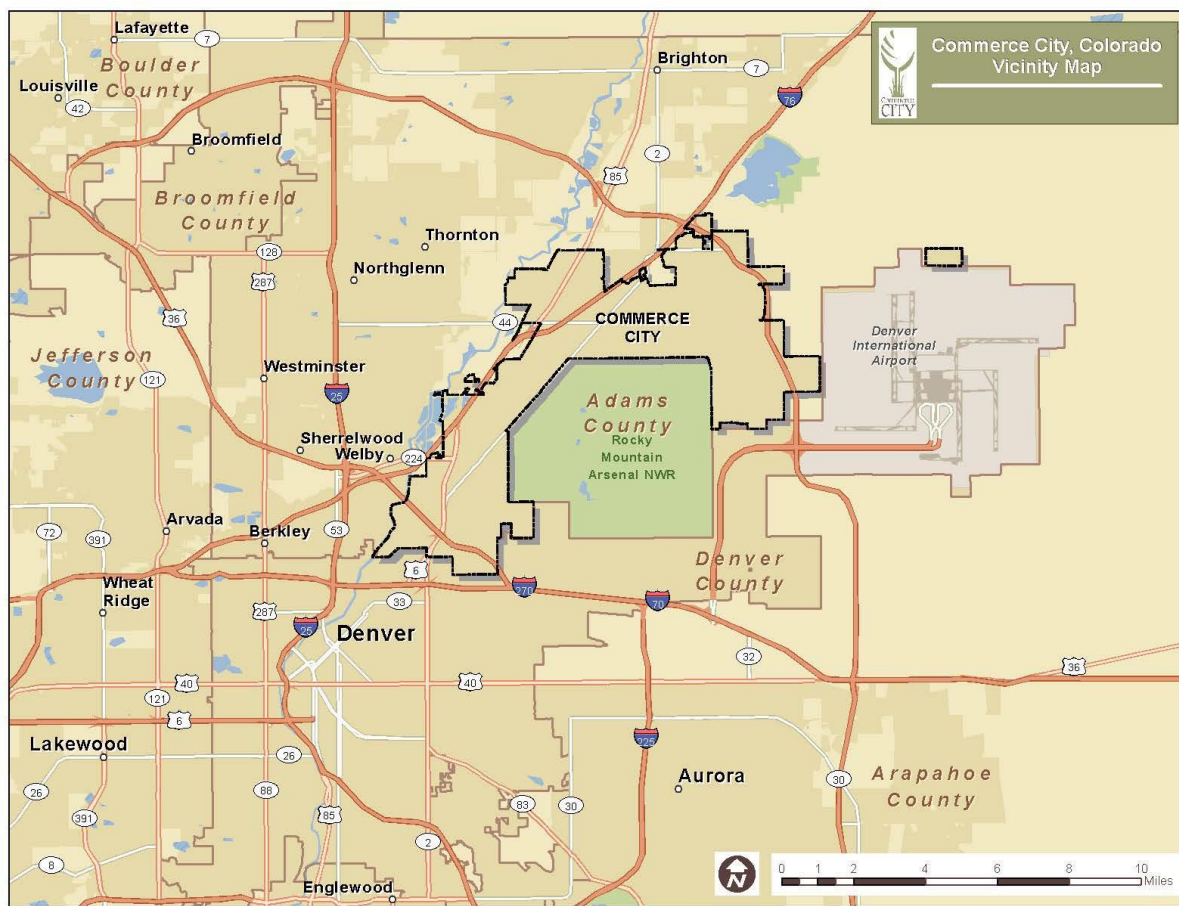

Publication and distribution of RFP:	Friday, October 02, 2020
Question submission deadline:	Friday, October 16, 2020 (5:00 p.m. MT)
Responses to questions posted (anticipated):	Tuesday, October 20, 2020
Proposal submission deadline:	Friday, October 30, 2020, (5:00 p.m. MT)
Review period (anticipated):	1-2 weeks
Interviews (if any) (anticipated):	Week of November 16, 2020
City Council interviews (anticipated):	Monday, November 23 at 6:00PM MT
Selection (anticipated):	Wednesday, November 25, 2020
Respondent submits insurance and other required documentation:	Within ten (10) calendar days of Notice of Intent to Award
Execute contract (anticipated):	Friday, December 04, 2020

The City reserves the right to modify this schedule as needed. Date for responses to questions and dates after the submission deadline are anticipated dates; modifications of those will not be posted.

### 3. SCOPE OF SERVICES

#### Community Context

The City of Commerce City, Colorado is located in the rapidly growing Denver-metro area, just eight miles northeast of Denver in Adams County. The city is surrounded by the communities of Brighton, Denver, Aurora, and Thornton, several wildlife parks (Barr Lake State Park to the north and the Rocky Mountain Arsenal National Wildlife Refuge to the east), and the Denver International Airport (DIA). A key feature of the city is its location along major regional travel routes (roadways (I-76, I-270, and E-470), railways (Burlington Northern/Santa Fe and Union Pacific), and air (Denver International Airport)), which has helped to retain a strong industrial base for the city's economy.

As one of the state's fastest growing cities, Commerce City is redefining itself for the next generation, building on historic values of community, industry, agriculture and family. Commerce City, like many local governments, recognizes that actions at the local level matter for the immediate and long-term health impacts of the community, and efforts made at the local level can contribute significantly at a regional level, as it pertains to health, safety, and environmental outcomes. In this rapidly changing world with concerns about economic growth and equity, energy use, climate change, social well-being and health, and waste reduction and recycling, it is

important for Commerce City to address these contemporary challenges as the city continues to grow. The industrial history of the city has made the community even more aware of the environment and the consequences of unsustainable practices related to pollution, waste, transportation, and land use.

How Commerce City grows and plans future land uses affects the quality of neighborhoods, parks and open space, commercial development and jobs, the fiscal condition of the city, and the natural environment. Resources, energy use, and conservation are important components to ensure valuable resources (such as water and energy) are available for current, as well as future generations.

### General Overview

The city is soliciting proposals from qualified vendors to conduct two primary functions. This scope of services will be *in addition* to the City's Comprehensive Plan Update, which is currently underway, and significant coordination is desired between both of these processes. It is acknowledged that one individual firm may not have the ability to provide all services requested in this scope, therefore joint submittals are encouraged between more than one vendor. It may be necessary for firms to subcontract certain aspects and functions of this request.

### Environmental Policy Development

The city is seeking a qualified vendor to produce an overall set of policy recommendations and strategies as it pertains to improving community health outcomes, environmental impacts, and overall community resiliency. Additionally, the city is seeking assistance in developing a vision of organizational sustainability across all city functions and departments (including Public Works, Parks Recreation and Golf, and Community Development) as well as a detailed implementation plan to achieve those objectives. *This work would aim to serve as the foundational set of policy recommendations, which would inform the development of future specific sub-plans.* Applicants should have significant expertise and experience working in the realms of municipal sustainability or local, state, or federal environmental policy, knowledge of green building systems and certification experience, benchmarking, retro-commissioning, performance monitoring, or life cycle assessment analysis (LCA). Applicants should also have significant experience with community outreach as it relates to these topics. The overall set of policy recommendations should contain information relating to the following topics:

- Community-wide waste reduction strategies
- Community-wide water use reduction strategies
- Community-wide energy efficiency and energy reduction strategies, as it pertains to the residential, commercial, and industrial sectors
- Energy efficiency, waste reduction, and water use strategies, as it pertains to municipal facilities and operations, buildings, infrastructure, equipment, and vehicle fleets
- Incentive strategies for green building development, adaptive reuse or net zero buildings

- Policy recommendations and strategies to adopt environmental review of land use impacts of public and private development
- Process recommendations as it pertains to an overall environmental review framework for land development activities occurring within the city.
- Hazard mitigation strategies and techniques
- Brownfield Management, identification, assessment, and revitalization strategies
- Incentive strategies for renewable energy development
- Geology and soil management strategies

#### Air Quality Monitoring and Policy Recommendation Services

The city is seeking a qualified vendor to provide air quality monitoring services, technical expertise, and policy recommendations as it pertains to local air quality regulations. Experience working with Oil and Gas development is highly preferred. The City of Commerce City has written Best Management Practices (BMPs) related to oil and gas operations, including ambient air quality sampling, monitoring, and reporting requirements. Specifically, regarding air quality control, the BMPs ensure compliance to eliminate, capture, or minimize all potentially harmful emissions by requiring operators to develop and implement Leak Detection and Repair (LDAR) and Ambient Air Sampling programs. These programs require baseline air quality testing as well as ongoing air quality monitoring. It is critically important that the design of operators' ambient air sampling studies be thoroughly scrutinized so they produce useful, informative data and meaningful, easy-to-understand reporting. Additionally, each Plan must be reviewed for site-specificity, relevance, the use of current and best technologies, and adherence to the BMPs.

Additionally, the city is looking for applicants who have experience developing municipal air quality regulations, administering municipal air quality monitoring or policy programs, and associated education programs to advise on a set of policy recommendations for the city. The final set of policy recommendations and deliverables should include the following items, at a minimum:

- An inventory of community-wide and area specific air quality impacts
- An inventory of existing GHG emissions produced within the community, a recommended set of reduction targets and timeframes, and strategies to reduce or mitigate such emissions
- Air quality guidelines that would include strategies to reduce Hazardous Air Pollutants (HAP's), Particulate and Fine Particulate Matter (PM), Greenhouse Gas Emissions (GHG's), odors, and other substances of significant health concerns
- Thresholds of significance, and screening at the project and plan level
- Air quality modeling guidelines

### Water Quality Policy Recommendation and Monitoring Services

The city is seeking a qualified vendor to provide water quality monitoring services, technical expertise, and policy recommendations as it pertains to water quality and watershed improvement strategies at the sub-watershed level (HUC 8-12). The primary areas of focus of any necessary monitoring efforts and policy recommendations will be in the industrialized southern areas of Commerce City, particularly along Sand Creek and the South Platte River, as well as new growth and development areas in the city's Northern Range. Desired services include the following:

- Development of Low Impact Development (LID) Stormwater infrastructure guidelines and Best Management Practices
- Land use policy recommendations and strategies as it pertains to furthering local water quality and wildlife habitats, including a review and assessment of the city's Land Development Code
- Identification of both significant point source and non-point source pollution causes, an assessment of groundwater quality in the southern industrialized area of Commerce City, and a series of policy recommendations and potential remediation strategies for the city to implement
- Long term water quality management strategies and recommendations for the first, second, and third creek corridors
- Identification of potential future capital investments, green infrastructure projects, or other efforts the city could take in to improve water quality
- Development of a water quality monitoring plan that determines the targeted location(s) and frequency of monitoring activities, in conjunction with the outcomes described above

As it pertains to water quality monitoring activities, the city expects the vendor to conduct, or arrange for subcontracting services to conduct monitoring in conjunction with, and supporting the policy recommendations listed above. Such monitoring should be able to accomplish the following:

- Water quality sampling and monitoring at set frequencies and locations
- Coordination of laboratory analysis of samples at a certified analytical laboratory
- Coordination of waste and wastewater disposal from sampling
- Data analysis, report writing capabilities, and report preparation

### Deliverables

The consultant shall provide the following work product to the city:

1. Monthly invoices to the city including monthly progress reports
2. Provide draft worksheets and memos to the city for review and comment
3. Final work product to be delivered to the city, which includes the following:
  - a. Final set of policy recommendations to be provided to the city – based on audit of existing city established policy, plans and procedures, and best practices occurring in other jurisdictions in the Denver Metro Area, Colorado, and nationwide
  - b. Overview and assessment of existing local government air quality regulations
  - c. Identification of area specific air quality pollutants of concern throughout the city
  - d. Development of a detailed cost estimates for implementation of proposed policy recommendations, with both return on investment analysis (ROI) and triple bottom line analysis, in any instance where a specific policy recommendation is made by the vendor pertaining to Air Quality Improvements, Water Quality Improvements, Overall Environmental Policy Development, and Municipal Efficiency Improvements / Operations Analysis
  - e. Development of a community education campaign relating to the set of policy recommendations

As it relates to air quality monitoring services, the following deliverables are expected:

1. Reasonable and sufficient evidence to demonstrate capability of conducting baseline sampling at oil and gas well sites, compliant with city adopted BMP's and other applicable regulations.
2. Reasonable and sufficient evidence to demonstrate capability of continuous air quality monitoring at oil and gas well sites, for any or all of the following:
  - a. Methane, Volatile Organic Compounds (VOC's), Hazardous Air Pollutants (HAP's), Oxides of Nitrogen (No<sub>x</sub>), Particulate Matter (PM), Fine Particulate Matter (PM<sub>2.5</sub>)
3. Establishment of Oil and Gas Air Quality Plan submittal standards, based on existing Operator Agreement requirements, including:
  - a. A table of targeted compounds.
  - b. Defined regulatory thresholds for criteria pollutants and VOCs for acceptable monitoring criteria.
  - c. Accepted methods of sampling site location and technology deployment, such as wind direction prevalence, comparative location of site operations, proximity to residential uses, proximity to off-site fueling stations, and potential nearby mobile source activity. Inclusion of both upwind and downwind sampling sites.
  - d. Desired frequency and duration of monitoring during all phases, accounting for seasonal and operational conditions such as wind speed, wind direction, and temperature as well as distinguishing from local pad impacts.

- e. Definition and requirements of continuous versus period monitoring and the duration of sampling events.
  - f. Intended quality assurance and quality control procedures for the equipment and data collection that are recognized by the EPA as standard (including data checks or validation, and maintenance). Air pollution data should be used to evaluate the adequacy of any air pollution control devices and emission reduction measures.
  - g. Identify potential public health concerns, including long and short-term health effects, by contaminant and by proximity to oil and gas development, if known. Air pollutant data should be tied to health-based criteria for exposure limits and exceedances of National Ambient Air Quality Standards (NAAQS) or Agency for Toxic Substances and Disease Registry (ATSDR) acute or chronic exposure levels.
- 2. Demonstration of data reporting capabilities
  - 3. Cost estimates to deliver such services

As it relates to water quality monitoring services, the following deliverables are expected:

- 1. Reasonable and sufficient evidence to demonstrate capability of conducting baseline sampling at recommended locations
- 2. A preliminary report detailing targeted areas for water quality monitoring efforts based on an assessment of point source and nonpoint source pollution sources, in the form of a water quality monitoring plan
- 3. A final report with detailed analysis of monitoring data, and list of policy recommendations and implementation strategies for the city

### Work Orders

Individual jobs or projects usually will be initiated by City staff as a Work Order (see Attachment A). The contractor shall provide an estimate of time and materials as well as an estimated schedule for completion upon evaluation and discussion with City staff. If there are any questions regarding the work to be performed, the contractor is responsible for contacting the designated City representative and requesting clarification before proceeding.

### On Call/Emergency Service

The contractor will be available “on call” on a 24-hour basis for any emergency that may occur, including holidays. Response time to emergencies and routine requests is expected to be timely. City Holidays currently include: New Year's Day; Martin Luther King Day; President's Day; Memorial Day; Independence Day; Labor Day; Veteran's Day; Thanksgiving Day; Day After Thanksgiving; Christmas Day.

### No Minimum Service Requirements

Services shall be provided by the contractor on an as-needed, non-exclusive basis. The City does not represent that it will utilize any contractor's services in any guaranteed amount. No minimum dollar amount or number of Work Orders are guaranteed by the City.

#### Safety

The contractor shall be responsible for all safety training, procedures and requirements.

#### Contract Requirements

The contractor shall perform all Services in accordance with the executed Master Services Agreement and shall comply with all of its terms and conditions. The Master Services Agreement contains requirements that shall be the contractor's responsibility, including without limitation:

- Insurance;
- Indemnity;
- City Sales & Use Tax;
- Invoice & Payment Terms;
- Licenses & Permits.

***Please refer to Attachment A for all contract requirements.***

## **5. EVALUATION CRITERIA & SELECTION PROCESS**

Proposals will be evaluated by the issuing department using the following criteria:

1. Qualifications of Respondent's staff.
2. Respondent's past experience, including reputation for timely, quality performance.
3. Rates.
4. Ability to provide 24-hour "on call" emergency service and timelines for response.

The City may contact any references. The City reserves the right to request clarification or additional information from individual Respondents. The City may also consult additional resources for subject matter expertise and references. By submitting a Proposal, Respondent authorizes the City to undertake such investigation as may be necessary to verify the Respondent's qualifications and reputation. Respondent will execute releases as requested by the City to enable the City to obtain necessary information; refusal to execute such releases may result in disqualification. As part of the evaluation process, the City may interview some, but not necessarily all, Respondents.

The City will select the lowest responsive and responsible Bidder, as determined to be the best value by the City in its sole discretion. In addition to the criteria stated above, the City's determination may consider, without limitation, the Bidder's financial resources, ability to comply with all legal and regulatory requirements, ability to perform the Work and complete the Project on time, history of performance, reputation, ability to obtain necessary equipment, data, and facilities, and any other factor deemed important by the City. The City may select multiple Respondents to provide Services as needed by the City.

The City's decision is final and without recourse to any Respondent. The issuance of a Notice of Intent to Award will be conditioned on approval of the selection by: (1) the City Council of the City of Commerce City if the potential contract price is greater than \$250,000.00; (2) the City Manager if the potential contract price is greater than \$50,000; and (3) the relevant department director if the potential contract price is greater than \$15,000.

Any Selected Respondent(s) will be expected to execute a Master Services Agreement within ten (10) business days of notification of the City's intent to award. Selected Respondent(s) must submit insurance documentation, a completed W-9, and additional documentation as requested by the City before the execution of any contract.

The issuance of this RFP and the receipt and evaluation of Proposals do not obligate the City to select a Respondent or enter into any agreement. No Proposal shall constitute business terms of any eventual agreement except as expressly agreed by the City. The City reserves the right to revise or cancel this RFP and the selection process. Any such revisions will be announced in writing to all Respondents depending upon the timing of the change.

## 6. METHOD OF SUBMITTAL

Each Respondent must submit a complete Proposal including all information requested in this RFP. Proposals that do not meet RFP requirements may be considered non-compliant and rejected.

**Proposals shall include the following:**

1. Completed Proposal Form (form included in this RFP) including:
  - a. Completed Statement of Qualifications;
  - b. Completed Rates Proposal;
  - c. Completed References List; and
  - d. Completed & notarized Submission Acknowledgement;
2. Copy of State Contractor's license (if applicable); and
3. Any relevant information Respondent deems necessary or helpful to the City.

**Questions regarding this RFP must be received in writing via email no later than 5:00 PM MT on, Friday, October 16, 2020.** Responses to questions will be on the City's website and on the RMEPS as an addendum to the RFP. Questions must be submitted to:

Domenic Martinelli, LEED AP, Environmental Planner  
City of Commerce City – Department of Community Development  
dmartinelli@c3gov.com

**Proposals must be received prior to 5:00 p.m. MT, Friday, October 30, 2020. Proposals shall be submitted in a sealed envelope and plainly marked "Proposal for Environmental Policy Development, Air Quality Monitoring Services, and Water Quality Monitoring Services" the outside of the sealed envelope.** Proposals must be submitted to:

Domenic Martinelli, LEED AP, Environmental Planner  
City of Commerce City  
7887 E 60<sup>th</sup> Avenue  
Commerce City, CO 80022

It is the sole responsibility of each Respondent to ensure its Proposal is received by the City by the date and time stated in this RFP. Proposals not received by the deadline will be considered late and not accepted. Proposals shall not be submitted via facsimile or e-mail.

## **7. DRAFT CONTRACT**

The contract between the successful Respondent(s) and the City will be substantially in the form of the draft contract contained in Attachment A. Respondents must review the draft contract and identify any proposed changes as “Proposed Changes to the Contract” in the Proposal (Completed Statement of Qualifications, 14). The City may consider any proposed changes in selecting a Respondent and awarding the contract but may reject the proposals and condition the award of the contract on acceptance of a contract without the proposed changes.

## MASTER SERVICES AGREEMENT

THIS MASTER SERVICES AGREEMENT ("Agreement") is made and entered into effective this \_\_\_\_ day of \_\_\_\_\_, 201\_\_ (the "Effective Date"), by and between the CITY OF COMMERCE CITY, a Colorado home rule municipality whose address is 7887 East 60th Avenue, Commerce City, Colorado (the "City"), and **CONTRACTOR LEGAL NAME**, a **home state** **Select Entity Type** whose principal business address is **Contractor principal business address** ("Contractor").

WHEREAS, the City desires to retain the services of Contractor, and Contractor desires to provide services to the City.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained in this Agreement, the sufficiency of which is acknowledged, the parties agree as follows:

### I. SERVICES.

A. Services. At the City's direction, Contractor will provide **type of services** services for the City on a non-exclusive basis as set forth in Exhibit A and pursuant to Work Orders, as defined below, if applicable ("Services"). The terms and conditions of this Agreement shall apply to the performance of all Services under this Agreement, whether performed with or without a Work Order and notwithstanding the failure of any Work Order to incorporate this Agreement by reference.

1. Work Order Services. A "Work Order" is an order agreed to by the City and Contractor to determine specific Services to be performed (including scope of Services, schedule, and total price) before the performance of Services. Work Orders may be in the form of Exhibit B but must include a specific reference to this Agreement. Work Orders must be executed and authorized as follows: (a) Division Manager (up to \$15,000.00); (b) Department Director (up to \$50,000.00); and (c) City Manager (up to and exceeding \$50,000.00).

2. Invoiced Services. Contractor may perform Services without a Work Order if the scope of Services and the total amount to be billed to the City for such Services are authorized and agreed to by the City before the performance of such Services. Services to be performed without a Work Order must be authorized as follows: (a) Division Manager (up to \$15,000.00); (b) Department Director (up to \$50,000.00); and (c) City Manager (up to and exceeding \$50,000.00).

B. Controlling Terms. This Agreement will control if the terms and conditions of any exhibit, attachment, Work Order, or invoice conflict with the terms and conditions of this Agreement. Additional terms and conditions not specifically relating to the Services (such as unnegotiated or form terms included in any Work Order, Invoice, or attachment), whether or not in conflict with this Agreement, are not agreed to by the City and are declared void and of no force or effect.

C. Contractor Representations. Contractor warrants and represents that it has the requisite authority, capacity, experience and expertise to perform the Services in compliance with the provisions of this Agreement and all applicable laws. Contractor acknowledges that the City is relying on Contractor's expertise, skill, and knowledge, and that the Contractor's obligations and liabilities will not be diminished by reason of any approval or review by the City.

D. Warranties. Contractor warrants that all work performed under this Agreement will be free from defects in workmanship, equipment, and materials. Upon acceptance of the work, Contractor will transfer the benefit of any applicable manufacturer's warranty to the City.

E. Prosecution of the Services. Contractor will perform all work in a professional and workmanlike manner and will furnish all labor, materials, tools, supplies, machinery, utilities, and other equipment that may be necessary for the completion of the Services. Contractor will monitor, supervise, and otherwise control and be solely responsible for all persons or entities performing work on its behalf.

F. Correction of Errors. Contractor will correct any errors or omissions in its work and any work deemed unsatisfactory or unacceptable by the City promptly and for no additional compensation.

G. Subcontractors. Contractor will not engage subcontractors to perform any part of the Services, other than for the provision of goods, materials or supplies, without the City's express written consent.

H. Licenses & Permits. Contractor and each subcontractor will be responsible to obtain all required licenses and permits, including a City Contractor's license, if required. Contractor will pay any and all license and permit fees.

I. Deliverables.

1. Electronic format. Contractor will provide all reports, surveys, maps, plans, drawings or photographs, or any other materials that lend themselves to production in electronic format ("Deliverables") to the City in both hard copy and electronic formats acceptable to the City, unless otherwise directed by the City in writing. Contractor's failure to do so will constitute a material breach of this Agreement. Contractor will consult with the City to determine acceptable electronic formats before beginning the Services. All Deliverables and other tangible materials produced by Contractor pursuant to this Agreement will at all times be considered the property of the City.

2. Spatial Data. Deliverables including spatial data (GIS/AutoCad) will include geospatial datasets (those generated from GPS, survey data, or other derived geospatial data like orthography) in Environmental Systems Research Institute, Inc.'s ("ESRI") file/personal geodatabase or shapefile format, including a coordinate system projection information or file. Point features will be generated as point shapefiles, linear features will be generated as line shapefiles, and area features will be generated as polygon shapefiles. Any geospatial dataset derived from new or existing geospatial data will be in file/personal geodatabase or shapefile format, along with an explanation of the method used to generate the derived geospatial data. Spatial Coordinate or Survey System will be documented and used, along with a coordinate system projection file for said data. Contractor will provide complete metadata (who, what, when, where, how) for all provided spatial data and related information.

3. Digital images. Contractor will provide non-copyrighted, high resolution, illustrative, digital images of project site plans, elevations, renderings, photos, and other Deliverables, as directed by the City, suitable for reproduction of and dissemination in marketing materials and at City Council hearings and public presentations. Contractor will affirm that the images do not violate copyright laws and will indemnify and hold harmless the City from liability for any expense, cost, loss or damage resulting from any claim of copyright infringement arising from the City's use of the images. All images provided will become the property of the City.

J. Rate of Progress. Contractor's rate of progress is a material term of this Agreement. At the City's request, Contractor will provide a progress schedule for the performance of any Services subject to the City's approval.

K. Monitoring and Evaluation. The City reserves the right to monitor and evaluate the progress and performance of Contractor to ensure that the terms of this Agreement are being satisfactorily met in

accordance with the City's and other applicable monitoring and evaluating criteria and standards. Contractor will cooperate with the City relating to such monitoring and evaluation.

L. Drugs, Alcohol and Workplace Violence; Compliance with Applicable Law. Contractor and its employees and agents, while performing the Services or while on City property for any reason during the Term, will adhere to the City's policies applicable to City employees regarding drugs, alcohol and workplace violence. Policies will be made available to Contractor upon request. Contractor will comply with all applicable federal, state and local laws, ordinances and regulations.

M. Non-Exclusivity. The City may engage the services of other persons for the provision of Services that could be performed under this Agreement. Contractor acknowledges that it is not entitled to perform any work except as assigned under this Agreement and is not guaranteed any amount of work.

## **II. COMPENSATION.**

A. Amount. As compensation for performance of the Services and any other obligations under this Agreement, the City will pay Contractor for work actually performed, in accordance with the rates set forth in Exhibit A and as may be set forth in Work Orders or invoices, provided such amounts set forth in any Work Order or invoice have been previously agreed to by the City pursuant to this Agreement. The compensation established by any Work Order or invoice shall include all of Contractor's costs and expenses to fully perform the Services and other obligations of this Agreement. The City will not consider or be obligated to pay or reimburse Contractor any other charges or fees and Contractor will not be entitled to any additional compensation or reimbursement.

B. Maximum Amount. The total amount of compensation paid under this Agreement shall not exceed a maximum aggregate amount of \$250,000.00 (including all years and any Services performed under this Agreement), unless this Agreement is approved by the City Council of the City.

### **C. Invoices.**

1. Submission. Contractor will submit invoices for all Services performed pursuant to a Work Order on a monthly basis and will submit invoices for Services performed without a Work Order promptly upon the completion of such Services. Invoices shall be submitted to the department or division that authorized the performance of Services for which the invoice is submitted, with a copy to the department or division that procured this Agreement.

2. Content. All invoices shall be in a format approved by the City and shall indicate that Services were performed under this Agreement. All invoices shall identify the specific Services performed for which payment is requested, including a description of the Services, the applicable rates, the applicable Work Order, if any, any costs for which Contractor seeks reimbursement, and the total amount that Contractor claims is due. Contractor will provide verification documentation as requested by the City.

D. Payment. The City will make payment to Contractor within thirty (30) days after receipt and approval of invoices submitted by Contractor. The City's obligation to make payment is contingent upon the Contractor's: (a) submission of a complete and accurate invoice; and (b) satisfactory performance of the Services and conditions of this Agreement. The City may withhold payment of any disputed amounts, and no interest will accrue on any amount withheld pending the resolution of the dispute.

E. IRS Form W-9. If not on file with the City, Contractor will provide to the City a current, completed Internal Revenue Service Form W-9 with or before Contractor's first invoice. Failure to submit a W-9 may result in delay or cancellation of payment under this Agreement.

F. Appropriation. This Agreement will neither constitute nor be deemed a multiple fiscal-year debt or financial obligation of the City based on the City's ability to terminate this Agreement. Contractor acknowledges that the City has made no promise to continue to budget funds beyond the current fiscal year and that the City has and will pledge adequate cash reserves on a fiscal-year by fiscal-year basis.

G. Changed Conditions. Contractor specifically waives any claim for additional compensation for any changed condition arising out of any one or more of the following, unless such changed condition is caused in whole or in part by acts or omissions within the City's control: (1) a physical condition of the site of an unusual nature; (2) any condition differing materially from those ordinarily encountered and generally recognized as inherent in work or services of the character and at the location provided for in this Agreement; or (3) any force majeure.

### III. TERM AND TERMINATION.

A. Term. The term of this Agreement will be from the Effective Date until [Click here to enter a date](#) ("Term"), unless the Term is extended in by validly executed written amendment.

B. Termination.

1. Generally. The City may terminate this Agreement without cause if the City determines that such termination is in the City's best interest. The City will effect such termination by giving written notice of termination to Contractor, specifying the effective date of termination, at least fourteen (14) calendar days prior to the effective date of termination.

2. For Cause. If, through any cause, Contractor fails to fulfill its obligations under this Agreement in a timely and proper manner, violates any provision of this Agreement or violates any applicable law ("Breach"), the City may terminate this Agreement for cause immediately upon written notice of termination to Contractor. Contractor will not be relieved of liability to the City for any damages sustained by the City by virtue of any Breach, and the City may withhold payment to Contractor for the purposes of setoff until such time as the exact amount of damages due to the City from Contractor is determined. If Contractor challenges a termination for cause by the City and prevails, the termination for cause will be deemed to be a termination for convenience and will be effective fourteen (14) days from the date that the original written notice of termination for cause was given to Contractor and no further notice will be required.

3. Effect of Termination. The City will be liable to pay Contractor for Services performed as of the effective date of termination, but will not be liable to Contractor for anticipated profits. Unless otherwise instructed in writing, Contractor will immediately discontinue performance of the Services upon receipt of a notice of termination.

C. Contractor's Remedies for Breach.

1. Contractor may terminate this Agreement for non-payment of sums due under this Agreement except where non-payment is pursuant to the City's rights under this Agreement. Contractor will first provide the City written notice of Contractor's intent to terminate and allow the City ten (10) days within which to make payment.

2. Pending resolution of any material breach by the City, Contractor may, in addition to any other remedies provided by law, discontinue performance of the Services without being in breach of this Agreement.

#### IV. INDEMNITY.

Contractor will be liable and responsible for any and all damages to persons or property caused by or arising out of the negligent or willful actions or omissions in the performance of the Services by Contractor, its employees, agents, or other persons acting under Contractor's direction or control. Contractor will indemnify and hold harmless the City, its elected and appointed officials and its employees, agents and representatives (the "Indemnified Parties"), from any and all liability, claims, demands, actions, damages, losses, judgments, costs or expenses, including, but not limited to, attorney fees, which may be made or brought or which may result against any of the Indemnified Parties as a result or on account of the negligent, grossly negligent, willful and wanton, or intentional actions or omissions of Contractor and/or its employees, agents or representatives or other persons acting under Contractor's direction or control. Contractor will include the provisions of this Section in any such subcontracts engaged to perform any part of the Services. The provisions set forth in this Section will survive the completion of the Services and the satisfaction, expiration or termination of this Agreement.

#### V. INSURANCE.

A. Required Policies. Contractor will procure and keep in force the following insurance subject to the conditions below, for the duration of this Agreement:

1. Commercial General Liability Insurance. Comprehensive general liability insurance insuring against any liability for personal injury, bodily injury or death arising out of the performance of the Services with at least **One Million Dollars (\$1,000,000)** each occurrence.

2. Products and Completed Operations Insurance. Products and completed operations insurance insuring against any liability for bodily injury or property damage caused by the completed Services, with a combined single limit of at least **One Million Dollars (\$1,000,000)**.

3. Comprehensive Automobile Liability Insurance. Comprehensive automobile liability insurance insuring against any liability for personal injury, bodily injury or death arising out of the use of motor vehicles and covering operations on or off the site of all motor vehicles controlled by Contractor that are used in connection with performance of the Services, whether the motor vehicles are owned, non-owned or hired, with a combined single limit of at least **One Million Dollars (\$1,000,000)**.

4. Professional Liability Insurance. If Contractor is an architect, engineer, surveyor, appraiser, physician, attorney, accountant or other licensed professional, or if it is customary in the trade or business in which Contractor is engaged, or if the City otherwise deems it necessary, errors and omissions professional liability insurance insuring Contractor against any professional liability with a limit of at least **One Million Dollars (\$1,000,000.00)** per claim and annual aggregate.

5. Other Insurance. Workers' compensation insurance (unless Contractor provides a completed Declaration of Independent Contractor Status Form) and other insurance required by applicable law.

The limits of any insurance required by this Agreement will not limit Contractor's liability.

B. Terms of Insurance.

1. Additional Insured. Except for the professional liability policy, if applicable, and workers' compensation policy, **all required insurance policies shall name the City as an additional insured** and will provide that the City, although named as an additional insured, will nevertheless be entitled to

recovery under said policies for any loss occasioned to the City or its officers, employees or agents by reason of the negligence of Contractor or its officers, employees, agents, subcontractors or business invitees. The insurance policies will be for the mutual and joint benefit and protection of Contractor and the City. **Such policies will be written as primary policies not contributing to and not in excess of coverages the City may carry.**

2. Qualification; Deductible. Insurance required by this Section will be with companies qualified to do business in the State of Colorado and may provide for deductible amounts as Contractor deems reasonable for the Services, but in no event greater than **Ten Thousand Dollars (\$10,000.00)**, and Contractor will be responsible for the payment of any such deductible.

3. Cancellation. No such policies will be cancelable or subject to reduction in coverage limits or other modification unless previously approved by the City in writing.

4. Coverage Type. Contractor will identify whether the type of coverage is “occurrence” or “claims made.” If the type of coverage is “claims made,” which at renewal Contractor changes to “occurrence,” Contractor will carry a twelve (12) month tail. Contractor will not do or permit to be done anything that will invalidate the policies.

5. No “Pollution Exclusion.” The insurance required by this Section will cover any and all damages, claims or suits arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of pollutants, and will not exclude from coverage any liability or expense arising out of or related to any form of pollution, whether intentional or otherwise. If necessary, Contractor will secure and maintain either a rider or a separate policy insuring against liability for pollution related damages, claims or suits, as described in subsection ii(a), with at least **Two Million Dollars (\$2,000,000)** each occurrence, subject to approval by the City, which approval will not be unreasonably withheld.

6. Evidence of Coverage. Before commencing work under this Agreement, Contractor will provide certificates of insurance policies indicating that the City is an additional insured and, if necessary, all endorsements evidencing insurance coverage required by this Agreement. The City will not be obligated under this Agreement until Contractor provides acceptable such certificates of insurance and endorsements. If the Term extends beyond the period of coverage for any required insurance, Contractor will, at least ten (10) days before the expiration of any such insurance coverage, provide the City with new certificates of insurance and endorsements evidencing either new or continuing coverage.

C. Subcontracts. Contractor will include the insurance requirements of this Agreement in all subcontracts. Contractor will be responsible if any subcontractor fails to procure and maintain insurance meeting the requirements of this Agreement.

## **VI. SALES AND USE TAX.**

Unless specifically exempt, all materials provided and equipment used in the performance of Services within the City are subject to City Sales & Use Tax, including services performed on behalf of the City.

A. Contractor Responsible for Tax. Contractor is subject to the tax on all purchases, fabrication, manufacture or other production of tangible personal property used, stored, or consumed in performance of the Services.

B. Specific Industry Standard. The Specific Industry Standard for Construction and Contractors (Regulation 20-S.I.15) can be provided upon request by contacting the City's Finance Department, Sales Tax Division, at 303-289-3628, and is available on the City's website at <http://www.c3gov.com/DocumentView.aspx?DID=115>.

C. Equipment. Prior to or on the date Contractor locates equipment within the City to fulfill this Agreement, Contractor will file a declaration describing each anticipated piece of equipment the purchase price of which was two thousand five hundred dollars (\$2,500) or greater, stating the dates on which Contractor anticipates the equipment to be located within and removed from the boundaries of the City and stating the actual or anticipated purchase price of each such anticipated piece of equipment along with any other information deemed necessary by the City. When such declared equipment is located within the City for a period of thirty (30) days or less, Contractor may include sales and use tax calculated on one-twelfth (1/12) of the purchase price of such equipment in the contract amount, in compliance with Section 20-5-T of the Commerce City Sales & Use Tax Code. If Contractor fails to declare the equipment to the City prior to or on the date Contractor locates the equipment within the City, none of the sales and use tax due on the equipment will be allowed as a contract expense.

## **VII. COMPLIANCE WITH C.R.S. § 8-17.5-102; VERIFICATION OF LAWFUL PRESENCE.**

A. Certification. Contractor hereby certifies that, as of the date of this Agreement, it does not knowingly employ or contract with an illegal alien who will perform work under this Agreement and that Contractor will participate in the E-verify Program or Department Program as defined in C.R.S. § 8-17.5-101 in order to confirm the eligibility of all employees who are newly hired to perform work under this Agreement.

B. Pre-Employment Screening. Contractor is prohibited from using either the E-verify Program or Department Program procedures to undertake pre-employment screening of job applicants while this Agreement is being performed.

C. Contractor Obligations. Contractor will not knowingly employ or contract with an illegal alien to perform work under this Agreement or contract with a subcontractor that fails to certify to Contractor that the subcontractor will not knowingly employ or contract with an illegal alien to perform work under this Agreement. If Contractor obtains actual knowledge that a subcontractor performing work under this Agreement knowingly employs or contracts with an illegal alien, Contractor will:

1. Notify the subcontractor and the City within three (3) days that Contractor has actual knowledge that the subcontractor is employing or contracting with an illegal alien; and
2. Terminate the subcontract with the subcontractor if within three (3) days of receiving the notice required pursuant to this subparagraph d the subcontractor does not stop employing or contracting with the illegal alien; provided, however, that Contractor will not terminate the contract with the subcontractor if during such three (3) days the subcontractor provides information to establish that the subcontractor has not knowingly employed or contracted with an illegal alien.

D. Compliance with Investigation. Contractor will comply with any reasonable request by the Colorado Department of Labor and Employment (the "Department") made in the course of an investigation undertaken by the Department pursuant to Article 17.5 of Title 8, C.R.S.

E. Violation. If Contractor violates this Section, the City may terminate this Agreement for breach of contract and Contractor will be liable for actual and consequential damages to the City.

F. Verification of Lawful Presence (C.R.S. § 24-76.5-103).

1. If Contractor is a natural person, including a sole proprietor with or without employees (*i.e.*, not a corporation, limited liability company, partnership or similar entity), and is 18 years of age or older, Contractor must: (a) complete the affidavit attached to this Agreement as Exhibit C; and (b) Attach a photocopy of the front and back of a valid form of identification noted on Exhibit C.

2. If Contractor executes the affidavit stating that he/she is an alien lawfully present in the United States, the City will verify his/her lawful presence through the federal systematic alien verification or entitlement program, known as the "SAVE Program," operated by the U.S. Department of Homeland Security ("DHS") or a successor program designated by DHS. If the City determines through the verification process that Contractor is an alien not lawfully present in the United States, the City will terminate this Agreement without further obligation to Contractor.

**VIII. NOTICE.**

Except for routine communications and invoices directed to a particular department at its regular business address, written notices required under this Agreement and all other correspondence between the parties will be directed to the following and will be deemed received when hand-delivered or three (3) days after being sent by certified mail, return receipt requested:

If to the City:

City Contact/Title  
Select Department  
City of Commerce City  
Address  
Commerce City, CO 80022

If to Contractor:

Contractor Contact/Title  
Contractor Name  
Contractor Address  
Contractor City, ST ZIP

The parties may agree to delivery of notices via electronic mail.

**IX. GENERAL PROVISIONS.**

A. Incorporation by Reference. Exhibit A to this Agreement and any Work Orders or invoices agreed to by the City are incorporated into this Agreement by reference.

B. Independent Contractor. The relationship between Contractor and the City will be as independent contractors, and neither the City nor Contractor will be deemed or constitute an employee, servant, agent, partner or joint venturer of the other. **Contractor is obligated to pay federal and state income tax on any money earned pursuant to this Agreement, and neither Contractor nor Contractor's employees, agents or representatives are entitled to workers' compensation benefits, unemployment compensation benefits, sick and annual leave benefits, medical insurance, life insurance, or pension or retirement benefits from the City.**

C. No Assignment. Contractor will not assign or transfer any rights, interests, or obligations under this Agreement without the City's prior written consent.

D. Governing Law; Jurisdiction and Venue; Recovery of Costs. This Agreement will be governed by the laws of the State of Colorado without regard to its conflicts of laws provisions. For all claims arising out of or related to this Agreement, Contractor consents to the exclusive jurisdiction of and venue in the state courts in the County of Adams, State of Colorado. Contractor waives any exception to jurisdiction

because of residence, including any right of removal based on diversity of citizenship. The prevailing party in any litigation to resolve a dispute between the parties arising from this Agreement will be entitled to recover court costs and reasonable attorney fees from the non-prevailing party.

E. Governmental Immunity. No term or condition of this Agreement will be construed or interpreted as an express or implied waiver of any of the immunities, rights, benefits, protections, or other provisions of the Colorado Governmental Immunity Act, C.R.S. §§ 24-10-101, *et seq.*

F. No Third-Party Beneficiaries. Enforcement of the terms and conditions of this Agreement and all rights of action relating to such enforcement will be strictly reserved to the parties. Any person other than the City and Contractor will be deemed to be only an incidental beneficiary under this Agreement.

G. No Waiver. The waiver of any breach of a term of this Agreement, including the failure to insist on strict compliance or to enforce any right or remedy, will not be construed or deemed as a waiver of any subsequent breach of such term; any right to insist on strict compliance with any term; or any right to enforce any right or remedy with respect to that breach or any other prior, contemporaneous, or subsequent breach.

H. Rules of Construction. Neither party will be deemed to have drafted this Agreement. This Agreement has been reviewed by all parties and will be construed and interpreted according to the ordinary meaning of the words used so as to fairly accomplish the purposes and intentions of all parties. No term of this Agreement will be construed or resolved in favor of or against the City or Contractor on the basis of which party drafted the uncertain or ambiguous language. Where appropriate, the singular includes the plural and neutral words and words of any gender will include the neutral and other gender. Paragraph headings used in this Agreement are for convenience of reference and will in no way control or affect the meaning or interpretation of any provision of this Agreement.

I. Severability. A holding by a court of competent jurisdiction that any term of this Agreement is invalid or unenforceable will not invalidate or render unenforceable any other term of this Agreement.

J. Acknowledgement of Open Records Act. Contractor acknowledges that the City is a public entity subject to the Colorado Open Records Act, C.R.S. § 24-72-201, *et seq.*, and this Agreement and any related documents are subject to public disclosure.

K. Authority. The parties represent and warrant that they have taken all actions necessary to legally authorize the undersigned signatories to execute this Agreement for the parties and to bind the parties to its terms. The signatories represent and warrant that each has legal authority to execute this Agreement for the party he or she represents and to bind that party to its terms.

L. Counterparts. This Agreement may be executed in any number of counterparts, each deemed to be an original, and, taken together will constitute one and the same instrument.

M. Entire Agreement; Modification; Binding Effect. This Agreement contains the entire agreement of the parties relating to the subject matter of this Agreement and, except as expressly provided, may not be modified or amended except by validly executed written agreement of the parties. All prior and contemporaneous agreements and understandings, whether oral or written, are superseded by this Agreement and are without effect to vary or alter any terms or conditions of this Agreement. This Agreement will be binding upon, and will inure to the benefit of, the parties and their respective heirs, personal representatives, successors and assigns.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the Effective Date.

**Note:** Construction equipment that was not otherwise subjected to the Commerce City sales or use tax, and which is located within the boundaries of the City of Commerce City for a period of thirty (30) consecutive days or less, will be subjected to the use tax of Commerce City on a prorated basis if the equipment is declared in advance. **If the equipment is not declared in advance or is located within the City for over thirty (30) consecutive days, the amount of tax due will be calculated on 100% of the original purchase price.**

The tax on Declared Equipment will be calculated using the following method: **The original purchase price of the equipment will be multiplied by a fraction, the numerator of which is one (1) and the denominator which is twelve (12); and the result will be multiplied by four and one-half percent (4.5%) to determine the amount of Use Tax payable to the City.** Example: thirty (30) days or less =  $\frac{1}{12}$  x purchase price of the equipment x 4.5%.

In order for a taxpayer to qualify for this exemption, the taxpayer must comply with the procedures described in Section 29-2-109(4) of the Colorado Revised Statutes by completing this form and remitting the tax due to the Finance Department of the City of Commerce City. **If the taxpayer does not file this form the exemption herein provided for will be deemed waived by the taxpayer.**

**A separate declaration form must be used for each individual piece of equipment.**
