

MEMO

To: Honorable Mayor and Members of City Council

From: Brent Soderlin, City Engineer

Subject: Resolution Authorizing Intergovernmental Agreement between Adams County and Commerce City regarding Cost-Sharing for Brighton Road Improvement Project

Date: September 28, 2020

Date: January 6, 2020

Purpose

Approve Intergovernmental Agreement (IGA) between Adams County and Commerce City for cost sharing for the Brighton Road Project between East 104th Avenue and East 112th Avenue. Resolution No. 2020-82 authorizes the Mayor and the City Clerk to sign the IGA with Adams County substantially in the form attached on behalf of the City.

Background / Summary

Brighton Road between 104th Avenue and 112th Avenue has been annexed into the City and is the City's maintenance responsibility. The surrounding properties are all within unincorporated Adams County. The road has not received any maintenance for many years. As a result, the subgrade and pavement have severely deteriorated. The City recently awarded a contract with Elite Surface Infrastructure, Inc. to reconstruct Brighton Road between 104th and 112th Avenue, which is the first phase of the project. The second phase is the design and replacement of the bridge over the Fulton Ditch. The bridge is currently under design and will be constructed in 2021.

The attached IGA is for the \$2,000,000 contribution from Adams County to help fund the two phases of the Brighton Road Project. The City has also budgeted \$2,000,000 for the project.

Financial Impact

Total Budget is \$4,000,000 – Including \$2,000,000 from the Brighton Road Capital Improvements and Preservation Plan and a \$2,000,000 from Adams County.

Staff Recommendation

Approve the IGA accepting Adams County contribution of \$2,000,000 to the Brighton Road Project between East 104th Avenue and East 112th Avenue.
