Transfer of Ownership Application for a Tavern License to 6171, LLC,
dba Hideaway Saloon, 6171 Olive Street, Commerce City, CO 80022

Hearing Officer Ablao opened the public hearing.

Appearing:

Attorney Brian Proffit, Registration #31101, on behalf of the applicant

Danni Danko-Holloway, on behalf of applicant

Robert Holloway, on behalf of applicant

Attorney Ruthanne Goff, on behalf of the city

Attorney Proffit asked for clarification on the purpose of the hearing for a transfer of ownership application.

Attorney Goff explained that the city has concerns of an undisclosed manager or

ownership interest.

Attorney Proffit explained that hidden ownership/management is better dealt with in a show cause hearing.

Hearing Officer Ablao agreed with the city that hidden ownership should be discussed in a transfer hearing based on this licensee's past violation as well.

Hearing officer Ablao swore in both Danni Danko-Holloway and Robert Holloway.

Mrs. Danko-Holloway explained her and her husband's experience in the bar business and how the purchase of the bar happened. She and Mr. Proffit reviewed loan and ownership documents, stating that she has sole ownership and decision-making rights of 6171 LLC. She stated she is involved in all aspects of the bar and that Mr. Holloway is as well, but is not an owner. Mrs. Danko-Holloway explained what happened the night of their prior temporary license violation as well as the outcome and the stipulated agreement.

Attorney Goff asked Mrs. Danko-Holloway if she knows the standards of owner/manager registration and she asked about the loan documents, who writes checks, pays taxes for the business and roles within the business.

Hearing Officer Ablao asked Mrs. Danko-Holloway about any changes to the layout.

Attorney Goff asked Mr. Holloway about his involvement in the application process. He denied any financial involvement besides being a proposed owner. Mr. Holloway stated his experience and history in the bar business as well as prior violations. He explained the frequency and the nature of his writing checks and explained his day-to-day role in the business. He explained his role the night of the previous violation.

Attorney Proffit stated Mr. Holloway would be willing to fill out the necessary documentation to register him as a manager, if the licensing authority so directed.

Attorney Goff asked the authority to deny the transfer application based on the possibility of hidden ownership or undisclosed management.

Hearing Officer Ablao made the following findings: Mr. Holloway does not have a financial interest in 6171 LLC. The transfer of ownership is approved. An Individual History Record and a Report of Changes shall be submitted in order to be backgrounded.
