Matt Hader, Deputy City Attorney, introduced the case and introduced staff presenting the case.

Jenny Axmacher, Planner, introduced the applicant and invited them to present first.

A motion was made by Commissioner Cammack to allow the applicant to present before the planner and it was seconded by Commissioner Yost. A roll call vote was taken and passed with 5 yeses.

Steve Pool and Jon Wicke presented.

Discussion from the commission involved open tunnel vs. open cut roadways, traffic impact, contacting property owners, expected life span of tunnel, financial cost, width of easement, and maintenance.

Seeing no further questions, Chairman Popiel invited the planner to present. Jenny Axmacher presented CU-123-20 and noted DRT recommendation of approval with conditions and all information pertinent to noticing and publication is in the record.

Discussion from the commission included future wastewater use

Seeing no further comments, Chairman Popiel invited the public to speak.

*Todd Messenger - Attorney @ Fairfield and Woods, 1801 California St. Denver, CO
Mr. Messenger shared his concerns about the project crossing two smaller canals and suggested extra conditions to be added*

*Steve Douglas -
Mr. Douglas questioned the alignment of the pipeline*

A motion was made by Commissioner Anderson to hold a brief executive session to discuss the commissioners concerns further. Seconded by Vice Chairman Amador. A roll call vote was taken and with 4 voting yes the motion passed.

Commissioners and Staff held a brief executive session and then returned to the meeting.

Abel Moreno - SACWD

Mr. Moreno shared his approval for the project

Seeing no further comments, Chairman Popiel called for a motion.

A motion was made by Commissioner Anderson:

I move that the Planning Commission enter a finding that subject to certain conditions the requested conditional use permit for the project alignment identified on exhibit B contained in case CU-123-20 meets the criteria of the land development code and based upon such findings recommend that the City Council approve the conditional use permit subject to the revised conditions provided at the beginning of this meeting. Seconded by Commissioner Yost. VOTE:

Aye: 5 - Chair Popiel, Vice Chair Amador, Commissioner Cammack, Commissioner Anderson and Alternate Commissioner Yost

[Presentation](#)

Matt Hader, Deputy City Attorney, introduced the case and introduced staff presenting the case.

Steve Timms, Planning Manager informed commissioners that city staff and the applicant were looking for feedback and presented Z-962-20. Because this case is a PUD Concept Schematic, no vote is taken.

Chairman Popiel invited the applicant to speak

Michael Talcott - Real Estate Project Manager for QuikTrip Corporation, 11724 Hannibal St

Mr. Talcott discussed truck use, day-to-day operations and interest in this lot

Discussion from the commission involved vacant parcel to the left of the property and its potential uses including tire shops, excluding daycare/ child care and senior housing facilities, diesel pump location, quantity of pumps including diesel, excluded uses and how the lot will be zoned.

Commissioners were concerned about increasing the truck parking on site and were sensitive towards how this would look at the gateway to the city, therefore a high level of architecture will be required.

Seeing no further comments from the commissioners, Chairman Popiel closed the presentation portion of the meeting.
