3. Regular Business

Commerce City Comprehensive Plan 2045

Staff members Jenny Axmachers and Jamie Rice from Community Development presented Commerce City's 2045 Comprehensive Plan. The comprehensive plan sets forth the community's vision, goals, and policies to help guide development and investment decisions. The plan guides development regulations and ongoing city decision-making, along with program funding and capital investments. Commissioners were provided an opportunity for feedback and input for the city's vision.

Senior Commission Resource Page

Jodi Hardee from Community Relations met with the commission to gather more input on the resource page for seniors. In order to make the page more accessible from the home page, Hardee proposed a similar model to Centennial's webpage. The senior resource page would live under the homepage menu, "Living In." Commissioners proposed changing the title of the subcategory in order to encompass senior resources and other. Commissioners agreed on changing "Living In" to "Resident Resources." Staff will bring back a drafted page next meeting.
