Summary and Background Information: DRCOG is changing its Transportation Improvement Program (TIP) submittal process from a centralized Regional Model to a new Dual Model that comprises both a Regional Funding process and a Subregional Funding process. In the Dual Model, the Subregions will collaborate and submit projects to compete directly with other subregions, CDOT and RTD for Regional Pot Funding. The agencies within Adams County will develop a list of recommended projects to use for the ADCOG Subregional Forum Funding. This agreement outlines the process for establishing a Forum for soliciting and evaluating projects.
