CU-110-16: Travel Centers of America; CUP for truck stop; 5101 Quebec St

Summary and Background Information:

On May 4, 2016, the Planning Commission opened the public hearing, took testimony, and had additional concerns for the applicant to address prior to making a recommendation. Therefore, the case is continued to a meeting date that has yet to be determined. Staff cannot advise City Council as to when they most likely expect to hear this case.

Travel Centers of America is requesting approval of a Conditional Use Permit to expand the existing truck stop located at 5101 Quebec Street.
