City Council Boards and Committees Assignments

Summary and Background Information:

As a result of the resignation of Paolo Diaz from the City Council, which was effective August 6, 2018, there are vacancies in various City Council appointed boards and committees. The City Council may wish to fill these vacant seats with a member of the current City Council.

Attached are two spreadsheets to assist in the discussion about filling these vacant seats; one sheet contains the list of seats held by former City Council Member Diaz and the other contains all of the City Council seats and the currently assigned Councilor(s).

Staff Responsible (Department Head): City Council
