RESOLUTION APPROVING SECOND AMENDMENT TO PROFESSIONAL SERVICES AGREEMENT FOR DESIGN SERVICES

### Summary and Background Information :

This action would approve an amendment to the existing Professional Services Agreement with Huitt-Zollars, Inc. to provide professional engineering services for the Tower Road Widening project. Additional services associated with responding to requests for information, reviewing change orders, support services during construction and preparation of record drawings are included in this amendment. This should likely complete all remaining tasks for Huitt-Zollars with the project.
