AN ORDINANCE REZONING FROM I-1 TO I-2 THE PROPERTY DESCRIBED IN EXHIBIT "A" ATTACHED HERETO AND MADE A PART HEREOF, LOCATED AT 8546 QUEBEC STREET, COMMERCE CITY, COLORADO, AND AMENDING THE ZONING MAP OF THE CITY OF COMMERCE CITY, COLORADO TO REFLECT SAID REZONING.

Summary and Background Information:

The existing property is approximately 1.36 acres in size and currently zoned I-1. The applicant is planning to construct an 18,000 square foot sheet metal fabrication facility of the subject property. The applicant is also proposing to zone the property to I-2 in order to allow for a small amount of outdoor storage that will be ancillary to the primary use.

The Planning Commission has recognized that the proposed zone change and proposed use are consistent with the Comprehensive Plan, will not negatively impact surrounding properties, and will provide infill development in a core industrial growth area for the city, which has the potential to positively improve the character of the neighborhood.
