BASF IS REQUESTING APPROVAL OF A CONDITIONAL USE PERMIT IN ORDER TO BRING A NON-CONFORMING ADHESIVE MANUFACTURING OPERATION INTO COMPLIANCE WITH THE LAND DEVELOPMENT CODE AS A CONFORMING ADHESIVE MANUFACTURING OPERATION. THE SUBJECT PROPERTY IS LOCATED AT 10601 FULTON STREET AND IS CURRENTLY ZONED I-3

### Summary and Background Information:

The subject property is approximately 20.399 acres in size and is currently zoned I-3. Adhesive manufacturing has been conducted on the subject property since 1991. In 1997, BASF Construction Chemicals purchased the property and continued to use the subject property for adhesive manufacturing. The subject property was annexed into the City as part of the Northern Enclave Industrial Annexation in 2007. When the property was zoned to I-3 in 2008, there were no additional zoning considerations or provisions granted to the subject property. Without additional provisions, the existing adhesive manufacturing operation on the subject property was automatically rendered a legal, non-conforming use, which is the basis for this Conditional Use Permit request.

**Planning Commission Recommendation:**

On December 4, 2018, the Planning Commission held a public hearing and voted 5 to 0 to forward the Conditional Use Permit request to City Council with a recommendation for approval subject to 3 conditions.

**Suggested Motion:**

I move to approve CUP-116-19 subject to 3 conditions.
