### Summary and Background Information:

Schuck Communities, Inc. is requesting the approval of an annexation of roughly 158 acres of property, which is currently vacant. The subject property is generally located on the southeast corner of Buckley Road and East 88th Avenue. The property is currently zoned Adams County Agricultural A -3. The applicant requests that the property be rezoned to the Nexus North at DIA PUD designation, which will include employment center type uses while not going to the full extent of allowing I-2 Industrial Zone District uses. The applicant is planning to plat this property for future employment uses once the annexation is complete, although a specific user has not been identified. This application is being processed concurrently with the annexation zoning case (Z-945-17-19).
