Proclamation Recognizing Mark Madison for Years of Service at Walgreens

### Summary and Background Information:

This Proclamation honors Mark Madison's 43 years of service with Walgreens. Mr. Madison has been working as the store manager at the 15310 E. 104<sup>th</sup> Avenue location since last December. He cites his love of the retail and merchandising industries and the desire to create good customer service as the driving forces behind his dedication to the company.

When Walgreens opened in 2015, it was one of the first retail businesses to locate in the city's northern range. In addition to providing services to residents and visitors, these retail businesses positively influence economic change in our community by generating wealth through capital investment, job growth and building the local tax base.
