AN ORDINANCE ANNEXING CERTAIN UNINCOPORATED TERRITORY KNOWN AS THIRD CREEK WEST (2 OF 2) TO THE CITY OF COMMERCE CITY, COLORADO

Summary and Background Information:

The applicant is requesting approval for the annexation of 138.017 acres at the north side of Himalaya Road and E. 106th Avenue alignment. A vicinity map has been included for the specific location. The applicant is Cowley Companies and the properties to be annexed are owned by SMT Investors Limited Partnership et al, which also includes 26 other corporations and entities such as LLCs. All of the property is currently zoned Adams County Agriculture-3 District (A-3) zoning designation and is requested to be rezoned to Commerce City Planned Unit Development (PUD) via annexation zoning case Z-946-19, which is being processed concurrently. The annexed area is proposed to contain a mixed-use development of residential and commercial uses, which is consistent with the Future Land Use Plan designations for the area. A variety of residential housing types and densities are proposed, with local and regional commercial uses intended to be sited along the E. 104th Avenue frontage. Office, retail, and vertical mixed-use development are potential uses identified by the applicant. Most of the residential uses are proposed in the area under this annexation case, and most of the commercial and mixed-use areas are proposed in the area to the south under AN-253-19.
