### At-Large Applicant Interviews

#### Summary and Background Information:

At-Large applicants will be given 2 minutes each to address council on their interest in the at-large position. Following the presentations, council will select finalist by voting for their preferred three (3) candidates on paper ballots that will be distributed by the City Clerk. Once finalists have been determined, the meeting will be adjourned to a short meet and greet public reception in the atrium. Council will convene the regular meeting following the reception and vote on the appointment and the selected applicant will be sworn-in during the administrative business section of the meeting.
