RESOLUTION APPROVING CITY OF COMMERCE CITY RULES GOVERNING ACCESS TO CIVIC CENTER AND SURROUNDING PROPERTY

**Summary and Background Information:** Commerce City owns and operates its Civic Center to support its operations and to provide public services to the general public. The Civic Center houses the City Council Chambers, administrative offices, municipal court, police department, city clerk, and permitting and planning. Among other things, these operations may involve sensitive and confidential information. For example, the city clerk processes passport applications and must comply with federal regulations; the municipal court, housing authority, and police departments process confidential information and interact with individuals in sensitive matters. The city strives to maintain professional and efficient operations, to prevent damage to its facilities, and to provide a safe environment for its employees, officials, and the public.

The resolution approves the City of Commerce City Rules Governing Access to Civic Center and Surrounding Property to support these interests. The resolution authorizes the City Manager to issue regulations to implement the rules and to amend the rules themselves, subject to review by the City Council.
