Presentation Regarding the Update to the Commerce City Drainage Manual

Summary and Background Information:

The Commerce City Drainage Manual has not be updated since 1989. This presentation will be a summary of policy issues that we need input from City Council. Staff proposes that technical criteria mirror the Mile High Flood District's criteria.

Staff Responsible (Department Head): Joe Wilson, Director of Public Works

Staff Member Presenting: Brent Soderlin, City Engineer
David Skuodas, Mile High Flood District
Andrew Earles, Wright Water Engineers, Inc.

Financial Impact: N/A

Funding Source: N/A

Staff Recommendation: Presentation only no recommended action at this time.
