Recognition of Quality Community Foundation Scholarship Recipient

Summary and Background Information : Each year the Quality Community Foundation awards one or more scholarships to a Commerce City resident. The scholarship is \$4,000 over a four-year period to a Colorado university, college or vocational school. This year the scholarship is being awarded to Amanda Ly. Amanda is a recent graduate from Adams City High School with a cumulative GPA of 4.304. She will attend the University of Denver in the fall and plans to study Business Administration with a minor in Accounting.
