Letter(s) of Support - GoCo Inspire Initiative

Summary and Background Information : GOCO's Inspire Initiative is a five-year strategy aimed at inspiring Coloradoans, particularly youth, to appreciate, enjoy and take care of our great outdoors. The vision of the recently adopted Youth Master Plan is to identify community and social investments in youth so current and future generations can have meaningful livelihood; this contributes to creating a sustainable community. The Inspire Initiative will help to identify barriers that keep youth and families from getting outside and developing a lifelong passion for the outdoors. Once these barriers are identified and a plan is created, additional funding will be available from GOCO to implement it.

Staff Responsible (Department Head): Carolyn Keith
