2017-2018 Integrated Snow Response Plan

Summary and Background Information : The Public Works Department is responsible for snow and ice removal on more than 270 lane-miles of primary streets within the City. A written Snow Response Plan is updated each year to identify resources and priorities for responding to snow events. Staff will provide an update on the program including innovations and technologies that will be implemented to enhance the program.

Staff Responsible (Department Head): Maria D'Andrea, Director of Public Works

Staff Member Presenting : Maria D'Andrea, Director of Public Works, Steve Ortega, Public Works Operations Manager, Travis Huntington, Communications Specialist
