### RESOLUTION APPROVING FIRST AMENDMENT TO PROFESSIONAL SERVICES AGREEMENT WITH GEOCAL, INC.

**Summary and Background Information :** The City retained GeoCal, Inc. to perform testing services related to the Tower Road Widening Project. This project widens Tower Road from two lanes to four lanes and provides multimodal facilities from 80<sup>th</sup> Avenue to 103<sup>rd</sup> Avenue as well as providing drainage facilities for the T-88 Drainage Basin between Tower Road and E-470. The project is funded through the 2K program.

The original contract is set to expire on March 31, 2018; however, with the addition of the T-88 work, construction will continue until April of 2018, and project close-out is anticipated to last until the end of June 2018. There will also be added testing management expenses for the T-88 work. This first amendment to the professional services agreement will extend the term of the contract through June 30, 2018, and increase the contract amount by \$19,600.00.

The original contract amount was \$350,000 so the additional \$19,600 brings the contract total to \$369,600 which is within the amount budgeted for materials testing of \$405,000.

**Staff Responsible (Department Head ):** Maria D'Andrea, Director of Public Works

**Staff Member Presenting :** John Vetterling, Capital Projects Delivery Manager

**Financial Impact :** \$19,600.00

**Funding Source :** 2K
