I-270/Vasquez Blvd. Planning and Environmental Linkage Study - Early Action Improvement Projects

Summary and Background Information: CDOT is undertaking a planning and environmental linkage study (PEL) to identify potential alternatives for the I-270/Vasquez Blvd. interchange as well as Vasquez Blvd. from approximately 56th Avenue to 64th Avenue. Several potential early action projects have been identified that could be implemented in the near future to improve safety and capacity. Staff will present these alternatives for feedback and discussion by the City Council.
