Resolution authorizing the Metropolitan Wastewater Reclamation District to enter City owned properties to perform land surveys, utility locates and limited excavations

Summary and Background Information: The Metro Wastewater Reclamation District is requesting permission to enter city owned properties along 2nd Creek from approximately 81st Ave. to Hwy 2 in order to perform land surveys, utility locates and limited excavations such as potholing in relation to Second Creek and Sand Creek interceptor system improvements. The Metro Wastewater Reclamation District will restore all disturbed areas and remove all temporary markers, stakes, etc.
