2019 Legislative Policy Principles

Summary and Background Information: The city needs to update its legislative policy principles to accurately reflect council goals and interests. The city council legislative committee meeting met November 19, 2018, to provide initial edits and inputs on draft priorities and guiding principles. The purpose of this study session is to have a full discussion and edit a draft document that can be finalized in advance of the Dec. 3 legislative dinner and formally approved at the December 17th council meeting.
