### City Council Boards and Committee Assignments

**Summary and Background Information:** As a result of the resignation of Crystal Elliott from the City Council, which was effective April 1, 2019, there are vacancies in various City Council appointed boards and committees. The City Council may wish to fill these vacant seats with a member of the current City Council.

Attached are two spreadsheets to assist in the discussion about filling these vacant seats; one sheet contains the list of seats held by former City Council Member Elliott and the other contains all of the City Council seats and the currently assigned Councilor(s).

**Staff Responsible (Department Head):** City Council
