Recognition of Youth Commission Paint-A-Thon Participants

Summary and Background Information:

The Brothers Redevelopment Paint-A-Thon, funded by the city's Community Development Block Program, is a free service for elderly or disabled homeowners who need their homes painted, but cannot afford a commercial paint job. This year's event took place on Saturday, July 27 and several of the city's Youth Commissioners helped out this year. City Council is recognizing youth commission members who volunteered at the Paint-A-Thon.
