RESOLUTION APPROVING GRANT OF EASEMENT TO SOUTH ADAMS COUNTY WATER AND SANITATION DISTRICT

Summary and Background Information:

As a part of the 112th Avenue Improvement Project between Chambers Road and Parkside Drive, the South Adams County Water and Sanitation District is installing a new 16" irrigation line. The majority of the new irrigation line will be within the City's right-of-way. A portion of the new irrigation line will need to be re-aligned to the north to avoid the golf cart underpass at the Buffalo Run Golf Course. The purpose of the easement is to allow for the construction of the irrigation line outside of the existing right-of-way and to avoid the existing golf cart underpass.

The resolution authorizes the Mayor and the City Clerk to sign an easement to South Adams County Water and Sanitation District for the installation and operation of one or more sanitary sewer or water pipelines, substantially in the form attached, on behalf of the City.
