Suncor Presentation

Summary and Background Information:

Council requested Suncor provide a quarterly presentation including updates on operations, environmental impact, safety, and community involvement. Suncor's Donald Austin, VP of the Commerce City Refinery, will be giving this first presentation. The goal of these presentations is to keep Council and the community informed on Suncor's activity in the city and promote enhanced partnership and communication between Suncor and Commerce City

Staff Responsible (Department Head): Troy Smith, Deputy City Manager

Outside Presenter: Donald Austin, Vice President of Suncor Refinery
