The Urban Renewal Authority (URA) Board consists of up to thirteen members: (1) the elected members of the City Council of the City of Commerce City; (2) a member appointed by the Adams County Board of County Commissioners; (3) a board member of a special district selected by agreement of the special districts levying a mill levy within the boundaries of the Authority area; (4) an elected member of a board of education of a school district levying a mill levy within the boundaries of the Authority area selected by agreement of the school districts levying a mill levy within the boundaries of the Authority area; and (5) a member appointed by the Mayor of the City of Commerce City. The objective of the Authority is the acquisition, clearance, rehabilitation, conservation, development, or redevelopment of slum and blighted areas within the City. Five separate plans and districts are included within the Urban Renewal Authority Fund.

City Center Phase I (King Soopers on Parkway) Urban Renewal Plan was created in November 2003. The base amount is \$170,625 of sales tax each year. The portion of municipal sales taxes in excess of such base shall be allocated and paid into the special fund of the Authority to be paid to the project developer.

Prairie Gateway Urban Renewal Plan was created February 2005. The area was federal land prior to the city acquiring it; therefore, no base existed. All property taxes and municipal sales taxes are allocated and paid into the special fund of the Authority to reimburse the developer for over \$101 million of improvements.

Derby Business District Urban Renewal Plan was created in February 2009. The base amount is \$150,577 of sales tax. The portion of municipal sales taxes in excess of such base shall be allocated and paid into the special fund of the Authority for improvements.

Mile High Greyhound Park Urban Renewal Plan was created in June 2018. The base amount is \$0 of sales tax and property tax as the URA already owned the land. The site is being actively redeveloped into a vibrant, mixed-use area that will include residential, retail/commercial, open space, and educational uses. The property is poised to help revitalize the area and regain its place as an important community hub in the historic part of Commerce City.
