SUBJECT: Council policy regarding expenditures for authorized events and travel

POLICY STATEMENT: This policy is intended to formalize guidelines for incurring expenses and the payment of Council expenses for attendance at authorized events and City-related business except for expenses payable from Discretionary Funds as authorized in Council Policy #CP-19.

A. General guidelines

Any reasonable expense, as described in this Council Policy, incurred by the Council including the Mayor for attendance at authorized events and in the conduct of business on behalf of the City shall be paid by the City.

Travel arrangements may be made by a City staff member designated by the City Manager for Council members only. If a Council member wishes to make his or her own travel arrangements, he or she can do so with the understanding that payment may be had only for the lowest airfare rate available where travel out of state is concerned.

Authorized events shall mean those events for training and travel budgeted in the City budget for attendance by members of the City Council that shall not exceed a total of \$7,000 per Council member per calendar year.

B. Participation

Council members are expected to participate to the greatest extent possible in any function, event, conference, or trip sponsored by the city or at which the official's attendance or participation was paid for by the City. For conferences and similar events, Council members are expected to attend at least 75% of all seminars, workshops, or other events for which the member is registered at the City's cost. For business functions and trips, Council members are expected to participate in all scheduled events (unless noted as non-mandatory).

C. Reporting Back

Council members are expected to report on their participation in any functions under this policy during Council reports in any meeting or by submitting a written summary of activities and relevant information to the City Manager for distribution to the Council. Sensitive or confidential information should not be included.

D. Authorization of expenses

Except for expenditure of Discretionary Funds which is governed by Council Policy #CP-19, all expenditures of City funds for authorized events and City-related business travel not provided for in the City budget shall require authorization by the City Council effective the 1st day of January, 2015.

E. Advance payments

Advance payment for previously approved trips shall not be paid except for extenuating circumstances approved in advance by the City Manager. The request for travel advances should be made to the City Manager's Office at least one week prior to taking the trip.

F. Reimbursement

1. A council member must promptly reimburse the City for any expenses paid by the City pursuant to subsections F(1-11) of this policy related to any function, event, conference, or trip, or part thereof, sponsored by the City or at which the official's attendance or participation was paid for by the City if: (1) the Council member registered for or responded to an invitation to attend and failed to attend without filling the vacancy with another Council member or, if appropriate, staff member, community leader, or business member; (2) the Council member failed to attend a significant portion of any function, event, conference, or trip; or (3) during the function, event, conference, or trip, the Council member conducted themselves in a manner that brings disrespect to disrepute to the office held or to the City, as determined by a majority vote of the City Council in office (excluding the councilmembers whose conduct is in question). Amounts reimbursed will be paid into the general fund. At the Council member's request, the City Council may, by a majority vote, determine the amount of expenses required to be reimbursed.
2. The City Manager may, upon a showing of extenuating circumstances, excuse the Council member from some or all of this reimbursement requirement in subsection (1), above, (except where ordered by the City Council) and shall report the exception to the City Council. Extenuating circumstances include unexpected job demands; illness or medical emergency of the Council member, family member, household member, or person for whom the Council member is a caregiver; cancellation of the event; or severe weather that makes travel impossible. In other cases, the City Council, by majority vote, may excuse the Council member from some or all of that reimbursement requirement if the failure to attend was due to unforeseeable events beyond the Council member's control or in the interests of fairness (except where ordered by the City Council).
3. A Council member must promptly reimburse the City for any expenses paid by the City in violation of subsections (F12-13) or for the cost of any alcoholic beverages. Amounts reimbursed will be paid into the general fund.

Adopted 8/31/09 by Resolution 2009-31
Amended 9/15/14 by Resolution 2014-96

SUBJECT: Procedure for naming of facilities

POLICY STATEMENT: It is the intent of Council to provide an organized and uniform process for naming of City facilities.

A. As used in this policy; "facility" refers to any City-owned building, facility, amenity or any portion of a building, facility or amenity; and/or any Parks, Recreation & Golf building, facility or amenity or any portion of any Parks, Recreation & Golf building, facility or amenity.

B. Parks, Recreation & Golf facilities or parts of a Parks, Recreation & Golf facility may be named for a community or a geographical area, a location, or in honor of any individual who has made a significant contribution to the field of parks, recreation & golf at either a local, state or national level or in recognition of a purpose or a cause.

C. All requests from citizens or other outside parties (other than an official City request) to name a facility or any part thereof must originate by written petition (on form provided) to the Council or may be initiated by City staff or the Council.

D. The Parks, Recreation & Golf Department by and through the Parks, Recreation & Golf Advisory Committee ("PRGAC") will serve to solicit, receive and review all requests. If the form of the request is approved, PRGAC will present a written recommendation to City Council for City Council consideration and approval. A single name recommendation will be presented when deemed appropriate by the Parks Recreation & Golf Advisory Committee and the Parks, Recreation & Golf Department. If denied, a letter of explanation shall be sent to the petitioner(s) and to the City Council.

E. For non-Parks, Recreation & Golf buildings, facilities or amenities, City Council may, at its discretion, authorize a separate committee to serve to make recommendation regarding naming of such non-Parks, Recreation & Golf building, facility or amenity.

F. As an alternative, the Parks, Recreation & Golf Department may conduct a naming contest and solicit, and receive naming suggestions. Successful naming suggestions will then follow the same process for review, recommendation and submission to City Council as when a petition is received. Such naming contests details may vary on a case by case basis for the building, facility or amenity to be named or re-named.

G. The following steps should be considered for the nominations of names for a public amenity. The PRGAC or other council-appointed committee must review and consider all names recommended prior to being submitted to the *City* Council for consideration and further action.

1. The PRGAC or other committee shall establish a time frame to solicit names for the public amenity.

2. Citizen(s) may pick up a petition form from the Parks, Recreation & Golf Administrative Office or from the City website at www.c3gov.com.

3. The petition shall specify the suggested name and the significance of the suggested

name via brief summary of why a city building, facility or other amenity should be considered for the name submitted (backed by research, if appropriate).

4. A minimum of 50 original signatures by Commerce City residents will be required. All signatures must be accompanied by a printed name and address of the signer and the date of signature.

5. The petition shall be returned to the Parks, Recreation & Golf Administrative Offices who shall verify signatures and/or addresses and then to the PRGAC or other council-appointed committee.

6. In naming a public amenity or parks, recreation and golf facility in honor of a person, the following shall be considered. The citizen shall be an outstanding or exceptional person who has been involved with the City of Commerce City, State of Colorado, or the United States. Someone who is or was instrumental in furthering the cause of a greater Commerce City through such means as leadership, youth services, cultural diversity, agriculture, history, civic responsibility, education, business promotion, or long-time resident. The person may be deceased or retired from active participation in City affairs.

H. Person(s) or organizations who donate property, or who donate a significant portion of the development costs for the total facility, shall receive special consideration. Names submitted must meet the requirements contained herein, and not primarily seek personal aggrandizement.

I. Names of facilities will not be duplicated within the City.

J. When a facility is named for an individual, a name plaque will be placed on the facility and describe the significance of the name and may list some or all of the achievements of the individual.

K. In the situation where a facility is renamed, the petition shall comply with the above guidelines and shall include clarification as to why the current facility name is obsolete or inappropriate.

L. At a duly-convened meeting, the City Council shall make the final decision regarding any facility name. In making a decision, the Council may, in its discretion, consider any public input as it deems appropriate.

Council Policy #CP-15
Adopted 8/31/09 by Resolution 2009-31

SUBJECT: Media contacts

POLICY STATEMENT: This policy is intended to facilitate proper responses by Council members to the media. It is not intended to direct, influence or impact the City Council's or individual council members ability to exercise free speech activities nor does it prohibit discussing policy issues or the decision-making process for policy development and adoption with the media. The following guidelines are suggested to assist elected officials and to enhance the city's ability to provide accurate and timely information to the media.

A. In working with various media outlets, far better information can be disseminated through a response that is well-thought out and allowed sufficient time to be developed. Council members will avoid offering "off-the-cuff" responses to the press.

B. Council members will not agree to "go off the record", "on background" or give statements "not for attribution."

C. Upon being contacted by a member of the media, except for campaign purposes, Council members will report to the City Manager or designee. Council members will request any necessary background information prior to responding. This process will allow for a better approach and thoroughness in presenting information to the press which, ultimately, will allow for more accurate reporting.

D. Any inquiry as to why an individual councilmember voted in a particular manner on a specific issue will be forwarded to the councilmember in question.

E. Inquiries regarding projects or items directly impacting a specific ward will be directed to the council representative from that ward as well as any at-large member who may have a particular interest or knowledge about the item.

F. Media responses from one councilmember will be shared with all council members and appropriate staff.

G. The City Manager is responsible to designate spokespersons for media inquiries. Each Council member who speaks with the media shall clarify that he/she is expressing his/her own opinion as an individual and not speaking on behalf of the Council unless he/she has been so authorized by vote of the Council.

1. A Councilmember must promptly reimburse the City for any Discretionary Funds paid by the City pursuant to this policy related to any function, event, conference, or trip, or part thereof, sponsored by the City or at which the official's attendance or participation was paid for by the City if: (1) the Councilmember registered for or responded to an invitation to attend and failed to attend without filling the vacancy with another Councilmember or, if appropriate, staff member, community leader, or business owner; (2) the Councilmember failed to attend a significant portion of any function, event, conference, or trip; or (3) during the function, event, conference, or trip, the Councilmember conducted themselves in a manner that brings disrespect or disrepute to the office held or to the City, as determined by a majority vote of the City Council in office (excluding the Councilmembers whose conduct is in question). Amounts reimbursed will be paid into the general fund. At the Councilmember's request, the City Council may, by a majority vote, determine the amount of Discretionary Funds required to be reimbursed.

Council Policy #CP-20
Adopted 10/10/11 by Resolution 2011-44
Changes adopted 9/16/19 by Resolution 2019-103
Revised 4/19/21 by Resolution 2021-29

SUBJECT: Public Comment During City Council Meetings (Also refer to #CP-2, Section I; #CP-16)

POLICY STATEMENT: The City Council desires to hear from members of the public on issues affecting City business. City Council recognizes the need to adopt a policy that sets forth a procedure that allows members of the public to express their comments and concerns regarding City business, while balancing the need to run orderly and efficient meetings. This policy is intended to establish such rules and regulations for providing the public with a reasonable opportunity to be heard as provided by Section 4.24 of the City Charter.

A. The public may comment only during the following periods: (1) “Citizen Communication” during regular City Council meetings; (2) on specific ordinances and resolutions during the time set aside for public comment on that item; and (3) public hearings at the appropriate time. No other unscheduled speakers will be permitted without the unanimous consent of the City Council. Public comment is not permitted during study sessions or special meetings, unless specifically stated on the special meeting agenda.

B. A Public Comment Roster shall be made available prior to each regular meeting of the City Council and any member of the public who wishes to address the City Council must complete the Public Comment Roster and submit it to the City Clerk with the printed name, signature and address of the person wishing to speak along with a short description of the topic or subject that will be addressed. Agendas and the Public Comment Roster shall clearly state that members of the public may not be heard on study session items. The requirement for signing the Public Comment Roster as to any specific item on the agenda may be waived by the Mayor or other Council member chairing the meeting if the number of members of the public wishing to speak with regard to that specific item makes it impractical to require each of them to sign the Public Comment Roster.

C. During electronic regular and special meetings, there will be the opportunity for public comment at the meeting during citizen communication, where applicable, and/or for each agenda item. Unless modified by Council during any meeting, public comment (except for any quasi-judicial public hearing governed by separate procedures) will be consolidated under the Citizen Communication part of the meeting, but speakers may speak once during Citizen Communication and once per agenda item, as desired. Advance registration to speak will be required; the meeting agenda will identify the registration and submission deadline and include instructions for registration to speak or submission of written comments. No other unscheduled speakers will be permitted without the unanimous consent of the City Council.

D. All speakers are encouraged to state their points as briefly and clearly as possible. Repetitious remarks shall be avoided and the Mayor reserves the right to terminate redundant comments. All remarks shall be addressed to the City Council and no member of the City Council or City staff shall be requested or expected to engage in discussions or debate with any speaker.

E. When the City Council is required to make a decision in a quasi-judicial proceeding, each member of the City Council is legally required to be impartial and in order that all quasi-judicial hearings will be conducted in a fair and impartial manner, no evidence outside a hearing may be considered by the City Council in arriving at its decision. Therefore, if any member of the public wishes to speak regarding an issue that is or may be set for a public hearing, or is an issue that may require a quasi-judicial hearing for determination by the City Council, the member of the public may be advised to defer his or her remarks until the quasi-judicial hearing is held by the City Council.

F. "Citizen Communication." Each agenda for regular meetings of the City Council shall contain an item designated for "Citizen Communication" to provide members of the public an opportunity to address the City Council subject to the terms and conditions of this policy.

- a. Comments should be restricted to issues affecting City business and items within the purview of City Council to act.
- b. Each speaker shall be limited to **three (3) minutes** with the right to extend the time for speaking to five (5) minutes with approval of the City Council. The time limit shall be monitored by a timer. Questions asked by the City Council and answers to such questions shall not be timed, but the chair, in his or her discretion, may limit further questions and discussion.
- c. Speakers may not yield time to another speaker in order to increase the time available for an individual to speak.
- d. Each speaker may only approach the podium to speak once during the entirety of the "Citizen Communications" period.
- e. City Council members will not attempt to reach a solution to any issue presented during "Citizen Communication", but questions may be asked of member of the public during "Citizen Communication" to aid in clarification and determining a proper course of action. Unless the agenda is amended, Council will wait until administrative council business to make motions in response to public comment. To avoid the risk of an inaccurate or inadequate response to a concern, City Council members shall refer questions raised during "Citizen Communication" only to the City Manager or the City Attorney for a timely response. Appropriate follow-up will be provided by way of agenda items or reports given by the City Manager at an upcoming meeting of the City Council.

G. Ordinances & Resolutions. The public may comment on ordinances and resolutions that are on the agenda for regular meetings that are not set for public hearings. After staff presentation on an agenda item, the Mayor will call upon any member of the public wishing to comment on the particular agenda item. These rules apply to any other public comment period that is not Citizen Communication or a public hearing. During virtual meetings, any public comment pursuant to this subsection will occur during Citizen Communication.

- a. Comments should be restricted to the agenda item under consideration.
- b. Each speaker shall be limited to **three (3) minutes** with the right to extend the time for speaking to five (5) minutes with approval of the City Council. The time limit shall be monitored by a timer. Questions asked by the City Council and answers to such questions shall not be timed, but the chair, in his or her discretion, may limit further questions and discussion. Speakers should not expect response.

- c. Speakers may not yield time to another speaker in order to increase the time available for an individual to speak.
- d. Each speaker may only approach the podium to speak once during the agenda item.

H. Public Comment during Public Hearings: Please see Council Policy # 22 for rules regarding procedures for quasi-judicial public hearings and Resolution 2020-30, as amended, for rules regarding virtual quasi-judicial public hearings.

- a. Public comments during hearings shall be limited to **three (3) minutes**, with the exception of presentations by City staff and testimony from applicant(s) and the applicant's representatives.
- b. Speakers may not yield time to another speaker in order to increase the time available for an individual to speak.
- c. Each speaker may only approach the podium to speak once during the entirety of the public hearing.
- d. Council members shall not express an opinion on the merits of a case during a quasi-judicial hearing.

I. The chair of the meeting has the authority to order any person to terminate his or her remarks if the time allotted to such person has expired or if the speaker has violated any of the foregoing rules.

J. Rules of public conduct identified in CP-#16 apply to all public comment.

Council Policy #CP-21
Adopted 10/10/11 by Resolution 2011-45
Amended 8/6/18 by Resolution 2018-61
Amended 4/1/19 by Resolution 2019-39

SUBJECT: Filling of City Council vacancy

POLICY STATEMENT: The filling of any vacancy on the City Council shall be accomplished in a manner that is fair to all applicants and legally correct in accordance with Section 4.5 of the City Charter. In this regard, the City Council intends that the process shall be conducted in an open and impartial manner that provides a fair result and best serves the citizens of Commerce City. Within the meaning of this Council Policy, all references to “councilmember” shall include the mayor.

- A. Time Limits. In accord with Section 4.5 of the Charter, in not less than ten days nor more than 30 days after a vacancy occurs on the City Council, the remaining City Council members shall appoint an eligible person, as defined in Section 4.4 of the Charter, to fill such vacancy to serve to the next organization meeting of the City.

- B. Advertising and Application. When a vacancy occurs on the City Council, the vacancy shall be advertised in a manner that is reasonably calculated to inform the interested citizenry, within the available time. The advertisement shall be made within 48 hours after the date the vacancy is declared by the City Council. The advertisement shall state that the office is vacant and that interested parties must submit an application requesting appointment to the vacant office to the City Clerk within 7 days of the vacancy unless Council establishes a different deadline at the time of the vacancy or extends the deadline.

The application must include: (1) a statement confirming the applicant’s eligibility for appointment (Charter, Section 4.4); (2) a resume; and (3) a brief letter (1-2 pages) explaining why the applicant feels he/she would be a good councilmember for the City of Commerce City if appointed and answering such questions as the City Council determines to include in the application. .

- C. Interviews. Appointment shall generally be made on the basis of written submissions. If the City Council determines to conduct personal interviews of qualified applicants, the City Council shall conduct such interviews in public meetings using a uniform set of questions approved by the City Council. No additional questions will be asked without the consent of the City Council. A time limit may be established by the City Council.

- D. Appointment. By motion, the City Council shall, during a regular or special meeting, conduct a vote to select an appointee in a manner that identifies the person voting and that person’s vote. The appointment of the Mayor shall be conducted by secret ballot; the Clerk shall collect and tally ballots for Mayor and read aloud the number of votes

received for each applicant receiving a vote.

In either case, successive rounds of voting shall continue until an eligible person receives a majority of votes (of the city councilmembers in office at the time of the vote) for appointment unless the City Council approves an alternative method of selection. If an alternate method of selection is used, the City Council shall consider the appointment by motion after selection.

- E. Failure to Appoint. If the City Council fails to appoint an eligible person within the time provided by the City Charter, the City Council shall consider whether to call for a special election under the laws of the State of Colorado. If the City Council declines to call for a special election, or if a special election cannot be conducted, then the vacancy shall remain until the next regular municipal election unless otherwise filled.

- F. Modification. At any time during the vacancy, by vote of a majority of the City Council present, the City Council may modify this procedure to determine the appointment of an eligible person, consistent with the City Charter. The City Council may, without limitation:
 - a. Conduct run-off votes among applicants who receive a minimum number of votes in any round of voting;
 - b. Appoint any eligible person who is willing to serve even if that person did not submit an application;
 - c. Allow for presentations to the City Council by applicants;
 - d. Schedule informal receptions open to the public;
 - e. Establish a nominating committee consisting of city councilmembers or members of the public to provide a non-binding recommendation for appointment;
 - f. Select an alternate method of selection to resolve ties, such as a coin flip or drawing of lots; or
 - g. Conduct ranked voting in which each city councilmember rates their top 3 applicants in order (with 3 being the highest score) and the applicant receiving the highest score is selected.

- A. Public Hearing Definition. “Public hearing”, for the purposes of this Council Policy only, shall be that type of proceeding required by law to be conducted by the City Council as a “quasi-judicial proceeding,” including without limitation any hearing held pursuant to the Land Development Code. Hearings on annexations and metropolitan districts generally shall follow this procedure. The City conducts other types of hearings to gather public input on issues or pending ordinances or resolutions, some of which are required by City Code or City Charter. This Policy does not concern such hearings.

(All reference in this policy to the Mayor shall include anyone acting in place of the Mayor.)
- D. Testimony. The public hearing shall be conducted so as to elicit relevant and competent evidence for the public hearing in a manner that provides a reasonable opportunity for all interested parties to express themselves as long as the testimony or evidence presented is reasonably related to the purpose of the public hearing and is not redundant. The Mayor has the authority to limit testimony to a reasonable length of time to maintain reasonable equality of time for all positions on an issue.
- E. Parliamentarian. The City Attorney shall serve as parliamentarian for the public hearing and shall advise the Mayor as to the admissibility of any evidence submitted for consideration at the public hearing.
- F. Oath of Witnesses. Upon request of any councilmember or person in interest, the witnesses shall be sworn under oath by the City Attorney. The credibility of evidence submitted by all witnesses shall be determined by the City Council and considered in reaching a decision at the conclusion of the public hearing.

Council Policy #CP-25
Adopted 04/03/23 by Resolution 2023-34

SUBJECT: City Council Conduct and Discipline

POLICY STATEMENT: The conduct of City Council members is a matter of public integrity and as such is a matter of public importance. In this regard, the City Council intends that complaints relative to the conduct of City Council members be handled in a manner that is reflective of the values of the City. The handling of such complaints must occur in a fair and impartial manner to preserve the public trust while also protecting elected officials from frivolous complaints that improperly exhaust public resource for otherwise improper purposes. The goal of this policy is to balance these interests while insuring public integrity.

A. Application of Policy and Receipt of Complaints.

1. *Application.*

- a. For purposes of interpreting and understanding this policy, it is recognized that mandatory policies require a council member to take a certain action and a prohibitory policy prohibits a council member from taking an action; policies that are suggestive or guidelines are not mandatory or prohibitory.
- b. The City Council shall determine whether a policy is mandatory or prohibitory.

2. *Violations.* This policy shall be applicable to violations as set forth in the City Charter, the Commerce City Revised Municipal Code, and the Council Policies. See Exhibit A, summarizing violations.

3. *Process.* The process contained herein is supplemented by that contained in Exhibit B.

4. *Complaints.*

- a. For any apparent violation of mandatory or prohibitory council policies by a councilmember, the city council may initiate an investigation or impose penalties under this section based on a verified complaint.
- b. Verified complaints of an alleged violation of mandatory or prohibitory council policies by a councilmember or other appointed official may be initiated by any person, including a councilmember, and shall be submitted to the city clerk. The city clerk shall forward the complaint to the city manager, who shall determine whether the complaint meets the requirements of this policy. If the complaint is determined to meet the requirements of this policy, the city manager shall promptly forward the complaint to the entire council, the city manager, and the city attorney including a designation of confidentiality and a copy of this policy. If the complaint is determined to not meet the requirements of this policy, the city clerk shall return the complaint to the complainant, if known, with an explanation of the requirements of this policy.
- c. To meet the requirements of this policy, complaints must:
 - a. Be verified;

- b. Include the complainants name and contact information;
 - c. Identify the individual alleged to have violated policy;
 - d. Provide specific and sufficient factual detail to identify a policy that is at issue and the specific conduct alleged to have occurred that was in violation of the policy;

- d. No action may be taken on any complaint that is filed later than one month after the discovery of facts supporting an allegation that a violation occurred.
 - e. Unless specified as punishable as provided in this section, these policies as they apply to the conduct of councilmembers are intended as guides to conduct and a failure of a councilmember to abide by these policies shall not be punishable except a caution, reprimand, or censure.
- B. Mediation. When a violation of council policy occurs that involves a dispute between councilmembers, the councilmembers involved will discuss or mediate the matter in good faith before a neutral person. The councilmembers may agree to rely on the city manager, city attorney, a council committee, or, if requested by either councilmember, a third party not employed by the city. Failure of either councilmember to participate in the mediation may result in the imposition of penalties under this section. All mediations must comply with the Colorado Open Meetings Law. The mediation must occur before the council initiates any investigation or imposes penalties under this section, unless the mediation does not occur due to non-participation.
- C. Investigation. For any apparent violation of mandatory or prohibitory council policies by a councilmember, the city council may review the allegations and make such investigation or determinations as it deems appropriate. If recommended by the city attorney, the city council shall appoint special counsel to investigate and present any violation to the council for decision to avoid any conflict of interest, appearance of impropriety, or any violation of a rule of professional responsibility. Otherwise, the city attorney shall conduct the investigation. The city council may, in its discretion, authorize the subject of the alleged violation to retain special counsel, at the city's cost.
- D. Finding of Violation & Penalties. In addition to any other penalty provided for a violation of any other provision of the charter, this code, or any other applicable law, any councilmember found to have violated mandatory or prohibitory council policies by a two thirds majority of the city council members present at the time the vote is taken (excluding councilmembers whose conduct is in question, if applicable) is subject to the following penalties:

SUBJECT: Electronic Meeting Procedures

POLICY STATEMENT: During the COVID-19 emergency, the City Council learned that conducting meetings with electronic participation provides an effective and efficient mechanism to conduct public business including taking formal action consistent with the Charter and the Open Meetings Law, C.R.S. §§ 24-6-401, *et seq.* City Council recognizes the need to adopt a policy that sets forth procedures for conducting electronic meetings. Council desires to permit all public bodies of the City to conduct public meetings through electronic means in a manner that retains public access and so long as such electronic participation is available. This policy should be interpreted in conjunction with Council Policies #20 and #22.

A. Definitions. The following definitions apply to the terms used in this policy:

“Board member” shall mean all members of a board or commission of the City or City related entity (e.g., general improvement districts).

“Body” means the City Council or City board or commission.

“Councilmember” shall mean the Mayor or a member of the City Council.

“Electronic means” shall have the meaning ascribed in Section 2-2001 of the CCRMC, as amended.

“Electronic participation” or “electronically participate” shall mean participating in a meeting through electronic means.

“In-person” shall mean being physically present at the designated meeting location.

“Meeting” shall mean a regular or special meeting of a body or emergency meeting of City Council that is required to be an “open meeting” under the Colorado Open Meetings Law, C.R.S. §§ 24-4-401, *et seq.*

B. All Councilmembers, Board members, the City Manager, City Clerk, City Attorney, City staff, applicants, consultants, contractors, and the public shall be allowed to attend and participate electronically in City meetings so long as electronic participation is made available for that meeting.

C. Electronic participation shall constitute actual attendance for purposes of establishing a quorum of a body for the meeting and for action on all matters at such meeting. If any Councilmember or Board member electronically participating in a meeting is disconnected or delayed, the relevant body may elect to proceed with the meeting provided a quorum remains present.

D. Any person's electronic participation must not cause interference in the meeting; e.g., where the telephone or electronic connection is repeatedly lost, or the quality of the connection is unduly noisy. The Mayor or chair has discretion to determine whether to request the person causing such interference to disconnect from the meeting. A person requested to disconnect from a meeting may reconnect so long as the new connection does not continue to cause interference with the meeting. If such interference continues, the person may be asked to permanently disconnect from the meeting.

E. Voting shall be conducted in a manner consistent with the City Charter and the Colorado Open Meetings Law, C.R.S. §§ 24-4-401 *et seq.* Except for unanimous votes or where concealing the identity of the vote is permitted by law, voting by electronic participants shall be conducted as a rollcall vote.

F. All electronic regular meetings, special meetings, and study sessions of the City Council conducted with electronic participation shall be recorded.

G. Executive sessions may be conducted by electronic means if held in accordance with the Colorado Open Meetings Law and City policies applicable to such meetings. Confidentiality of executive sessions shall be maintained. Any Councilmember or Board member electronically participating must affirm to the body that they are in a secure and confidential location where no other persons can hear the content of the executive session and such person shall not record or transmit the executive session.
