

**A RESOLUTION CONCERNING THE PERMITTING OF THE ELECTRIC  
VEHICLE CHARGING SYSTEMS**

**NO. 2025-173**

WHEREAS, the City of Commerce City (“City”), a home rule municipality organized pursuant to Article XX, Section 6 of the Colorado Constitution, regulates the construction, removal, repair, alteration, reconstruction, and use of buildings through its building and zoning ordinances;

WHEREAS, in the spirit of intergovernmental cooperation and partnership, and while the City continues to investigate what local practices best serve City residents, the City desires to assist the Colorado Energy Office (“CEO”) by indicating its intent to follow the state permitting review process for electric vehicle (“EV”) charging system applications in accordance with C.R.S. § 31-23-316, without admitting that the requirements of that statute are lawful or mandatory.

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF COMMERCE CITY, COLORADO, AS FOLLOWS:

**SECTION 1. Finding.** The City will use the processes for the review and permitting of applications for EV charging systems found in C.R.S. § 31-23-316.

**SECTION 2. Intent to Use Local Processes.** The City will continue to explore possible local procedures, and if found to be necessary, will implement such by Ordinance in the future.

RESOLVED AND PASSED THIS 15TH DAY OF DECEMBER 2025.
