REQUEST

Finance Staff will present the 3rd Quarter 2025 Financial Report to Council during the November 10th Study Session. This is a new report format was presented for the first time to Council in May and replaces previously distributed Monthly Financial Report. Since this is a new report format, Staff will thoroughly review the report materials with Council and answer questions. Staff also looks forward to receiving feedback from Council that could be used to further improve future quarterly financial reports.

BACKGROUND

In July 2020, Finance began preparing and distributing financial reports to Council monthly and continued to do so through the December 2024 reporting period. Finance developed a new quarterly financial report format for the 1st Quarter of 2025. This new format provides summary financial information for the General Fund and Capital Expenditures Fund and includes more trend data and financial analysis highlights than was included in previous monthly financial reports.

Materials included for this agenda item include:

- 3rd Quarter 2025 Financial Report, detailing financial and economic highlights
- 3rd Quarter 2025 Financial Report, detailing financial outcomes for the General Fund and Capital Expenditures Fund for the quarter reported

This new quarterly reporting format includes financial tables for both the General Fund and Capital Expenditures Fund that compares 3rd quarter
