# TRANSFORMATION OVERVIEW:

---

## TECH ROOM TO SERVICE AS AN ACTIVE ADULT CENTER:

Monday – Friday from 8 a.m. to 4 p.m.

Active Adult programs are focused on seniors and older adults, but is ultimately open to all adults 18+

General public use all other hours

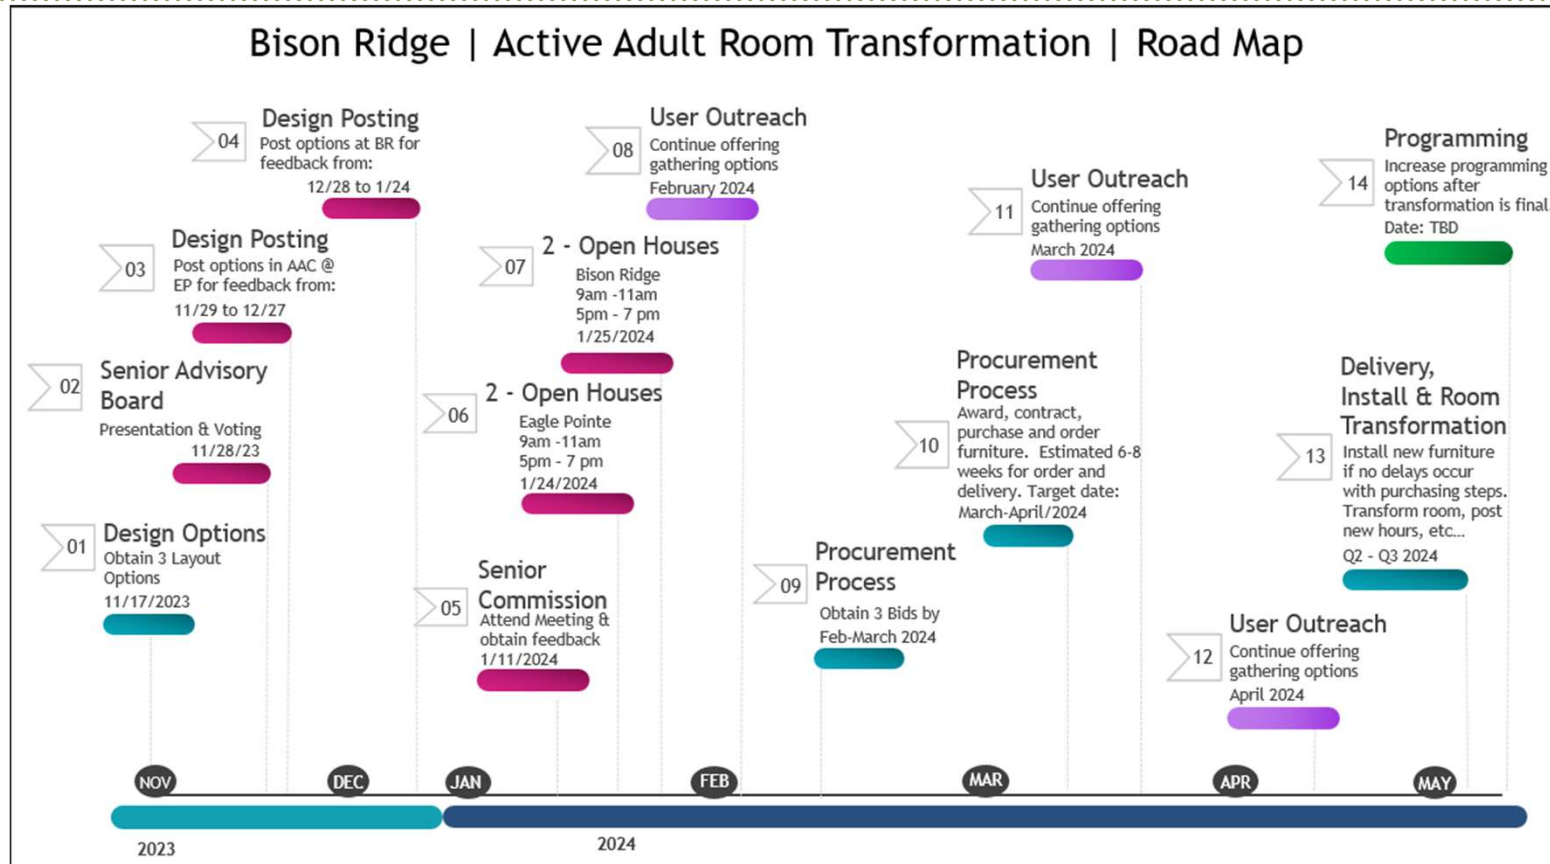

# PROJECT GOAL:

---

Develop a room layout incorporating new furniture to optimize space for community members, participating in a wide-range of diverse programming opportunities.

# PROJECT ROADMAP | OVERVIEW:

# THINGS WE CONSIDERED:

---

**1. Many seniors and older adults may be experiencing increasing difficulties with strength and mobility:**

- o Seating free of wheels
- o Wider seats with arm-rests to provide a sturdy grip to raise and lower oneself onto the seat
- o Seating that is cushioned, durable and easily cleaned
- o Chairs that are strong, but also lightweight

**2. The space will be utilized by other programs as well:**

- o Multiple types of Active Adult programs
- o Meetings (PRG Advisory Meeting)
- o Programs
  - \* flexibility with furniture mobility is important
  - \* furniture that can be easily reconfigured

**4. Selecting furniture with the most suitable characteristics.**

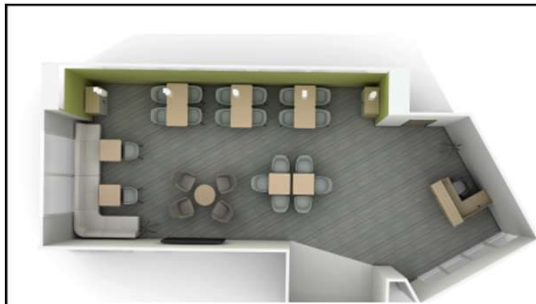

**5. Color and fabric style selections will occur once the ideal furniture pieces are determined.**

**6. Engagement regarding what type of programming community members would like to see take place in the space.**
