LAND USE MAP AMENDMENT

PO Box 18287

Denver, CO 80218

Character Areas are the foundation for all subsequent plan sections. The core elements of the Comprehensive Plan build on the Character Areas Plan and provide policies and recommendations for each contributing land use and key development area within Commerce City. While the character areas provide a broad, community-wide view of how land use should be dispersed across the City, the core elements detail the steps required for Commerce City to grow these unique places over time. The framework maps add more specific detail to the broader Character Areas Land Map.
