REQUEST

Adopt a resolution approving an intergovernmental agreement ("IGA") to coordinate the City's regular municipal election with Adams County.

BACKGROUND

Pursuant to Commerce City Charter Sec. 3.1, the City conducts regular municipal elections in November of odd-numbered years in coordination with Adams County. This year's election will be held on November 4, 2025 and will have four City Council offices on the ballot: One (1) Ward I office; one (1) Ward III office, and two (2) At-Large offices. The terms of office for each position will be for four (4) years.

As required by Charter, the City must conduct its regular municipal elections as a "coordinated election" as defined in Colorado Revised Statutes Sec. 1-1-104. This means that the City Clerk's Office and the Adams County Clerk and Recorder's Office (County) will work collaboratively to conduct the election and the City will contract with the County to perform certain election actions as required by state law on behalf of the City. Adams County coordinates with other local governments such as municipalities and special districts and provides voters with a singular ballot that encompasses all races, questions, and measures on which a voter is eligible to vote.

Under this IGA, the County will be responsible for the conduct of the election which includes providing for voter services and polling centers, publishing notices, printing and mailing ballots to voters, certifying the results of the election, and storing election records as required by state law. The City Clerk's Office will be responsible for providing the County with the street indexes within the City's boundaries, supplying and
