## Sec. 21-5400. Accessory Uses and Accessory Structures Table.

The Accessory Uses and Accessory Structures Table (table V-3 below) establishes the districts in which a particular use or structure may be allowed as accessory to the principal use or structure. An "R" indicates the accessory use or structure is allowed in the district as a use-by-right. A "P" means the accessory use or structure is allowed as a use-by-permit. Finally, a blank cell means that the accessory use or structure is prohibited in that district.
