# Public Art Master Plan - Donation Process

Public Art Master Plan approved in 2013

- Guide to selecting the most appropriate public art that reflects the community's values and culture.

Process for Public Art Donations in Public Areas

- Cultural Council will use the public art selection process, established by the Public Art Master Plan when deciding to accept or decline donations of artwork.
- The Cultural Council will review recommendations of the art selection committee and present them to the Commerce City City Council for final review and approval.

# Project Details – Greenway Guardians

## Youth-led process

- Six youth, ages 10-15, acted as the art selection committee to select artist and concept.
- Worked in collaboration with artist to create the piece, titled “Protecting Commerce.”
- Participated in trash pick ups to gather art materials (128 pounds of trash throughout the process)

Project funded by Metro Football Stadium District funds and Quality Community Foundation grant.
