BACKGROUND/REQUEST

I am bringing this motion forward to ensure that proclamations are recognized in a way that is meaningful, consistent, and reflective of the community's expectations. As the number and variety of proclamations have grown, councilmembers want to explore whether there are alternative formats or processes that might better honor recipients while also supporting efficient Council meetings. This direction would allow staff to review options and recommend approaches that balance tradition, community engagement, and meeting management.

Motion -

I motion to direct to the City Manager to evaluate and provide recommendations to the City Council for presentation and acknowledgement of approved proclamations at the beginning of the calendar year. The City Manager shall provide this evaluation and recommendations to the City Council at a study session no later than end of Q3.
