Flock Expansion

Safe City – Basis of a study session in January, consensus at that time was to bring forward expansion opportunity this evening.

January's presentation is in the packet.

This evening will briefly touch on some successes as we have worked to leverage technology to enhance public safety.

Effectiveness July 1, 2024-June 30, 2025

- TOTAL MOTOR VEHICLE THEFTS IN COMMERCE CITY: 404
 - Thefts outside Flock area: 282 or 69.8%
 - Thefts inside Flock area: 122 or 30.1%

- TOTAL MOTOR VEHICLE THEFT RECOVERIES IN COMMERCE CITY: 426
 - Recoveries outside Flock area: 197 or 46.24%
 - Recoveries inside Flock area: 229 or 53.7%

30% of motor vehicle thefts in Commerce City occur within the Flock 3.5 square mile area, 53.7% of all recovered stolen vehicles take place there.

Effectiveness Real Time Crime Center Jan. 12, 2025 – Feb. 11, 2026

First Month of Drone as First Responder (DFR) Operations out of the RTCC

- 63.97 hours of flight time
- 311 missions
- 60% of missions drone is first on scene (186 instances)
- 69% of missions prevented need for patrol response (214 instances)

12 Flock LPR Hits – 3 arrests made/vehicles recovered (25% Success)

9 Gun Shot Detection Hits – 2 cases pending (22% Success)

Effectiveness - NIBIN

2025

- 184 cases sent to NIBIN (48.21% more than 2024)
- 52 cases resulted in a NIBIN hit (28.26% success rate)
- Focuses our efforts on investigating prolific gun crime where we know the same gun is used in multiple shootings.
- Success can look like arrests and seized guns, or it can be in the form of collecting fired shell casings and making connections in related cases to efficiently use resources.
