## BACKGROUND/REQUEST

### Motion to Streamline Proclamation Process During Council Meetings

In an effort to make our council meetings more efficient and focused, I move to implement the following changes regarding proclamations:

1. All proclamations will be placed on the consent agenda by default.
2. Proclamations with special community requests for public reading may be pulled from the consent agenda for separate recognition. With a maximum of two proclamations per council meeting.

These adjustments aim to honor community contributions while preserving time for council business.
