

# Emergency Operations Plan (EOP) Overview

**By Kirk Dominic – Emergency  
Manager**

January 12, 2026

# What is an EOP?

- An Emergency Operations Plan is a document that outlines the policies, procedures, and responsibilities for an organization or jurisdiction to respond to an emergency or disaster.

# What is the Purpose?

---

- The purpose of an EOP is to provide general guidelines and principles for managing and coordinating the overall response activities before, during, and after emergencies and disasters.

# Parts of the EOP

- The Basic Plan.

Provides an overview of the preparedness and response strategies.

- Lead and Support Agencies Section.

Describes the emergency functions for departments and outside agencies.

- Hazards/Threats Specific Section.

Addresses the unique hazards and threats to Commerce City.

# Why the Need for a Revision

- Rapid growth in the city over the last 15 years.  
Population of 45,913 in 2010 to estimated 71,887 in 2025.
- Over the last few years, new city organizational structure which created new departments, divisions, and capabilities.

Community Well-Being Division  
MSC and Recreation Centers now have Emergency  
Back-up Generators  
Real Time Crime Center (DFR/ALPR/Flock System)

# Major Revisions

- Updated the Definition Section
  - Disaster Policy Group
  - Emergency Disaster Service Worker Program
- Updated the Planning Assumptions and Strategies Sections
- Creation of Operation Plan Annexes
- Added the NIMS Training Requirements
- Identified Line of Succession
- Updated Outside Agencies Section

# Next Steps

---

- Approve the amendment to rescind chapters 23-2 through 23-6 and modify chapter 23-1 of the Commerce City Revised Municipal Code to clarify that the City Manager, or the City Manager's designee, shall create and implement an Emergency Operations Plan for the City.
