Annexation Eligibility Criteria

C.R.S §31-12-104 and 105

- a) Minimum 1/6th contiguity with existing city boundary
 - Analysis: The total perimeter of the site is 1,52216 feet and 851.93 feet is contiguous with the City of Commerce City, which equates to over 55% of the site meaning the annexation meets the one-sixth continuity requirement.
- b) A community of interest exists in that the proposed area is urbanized or will be urbanized in the near future
 - Analysis: The subject property is located within the City's Urban Growth Boundary which is delineates expansion of the City of Commerce City and development.
- c) The area is capable of being integrated into the City
 - Analysis: The site is bordered by City of Commerce City roadways and adjacent to South Adams County Water & Sanitation District (SACWSD) water and sanitary lines. The applicant is aware that they must submit an application for inclusion into the SACWSD. There are no comments from the Development Review Team indicating that the area proposed to be annexed cannot be integrated into the City of Commerce City.

Annexation Eligibility Criteria, continued

C.R.S §31-12-104 and 105

d) No land held in identical ownership...

- Analysis: The three parcels totaling 2.15 acres, proposed for annexation are all owned by the same ownership group.

d) No other annexation proceedings have commenced on the properties

- Analysis: No other annexation proceedings have been commenced for the subject property.

e) Will not result in the detachment of area from any school district and attachment of the same to another district

- Analysis: The subject site is within the Adams 14 School District. There is currently no anticipated student generation based on the Zone District mentioned by the applicant. Because of this there has not been any proposal to detach from any school district.

Annexation Eligibility Criteria, continued

C.R.S §31-12-104 and 105

g) Petition meets the requirements of the law

- Analysis: The petition includes all the required items per C.R.S. §31-12-105 as amended and was reviewed by the Development Review Team and City Attorney's Office for appropriate compliance.

h) Does not extend the municipal boundary more than 3 miles in any direction in any one year

- Analysis: The site is directly bordered by the Commerce City to the south and north and there are properties within the City to the east and west of this property. Therefore is no extending of the boundary.

i) The entire width of any street or alley to be annexed is included with the annexation.

- Analysis: There are no streets or alleys eligible for annexation with this proposal. As a part of the annexation agreement and future public improvement agreement there will be right-of-way dedication and improvement.
