BACKGROUND/REQUEST

I move to direct the City Manager to coordinate an annual presentation from the Adams 14 District Accountability Committee (DAC) to City Council on August 24, 2026.

The presentation should focus on 2–3 key insights that demonstrate how the DAC connects family voice to city priorities. As representatives of parents and caregivers, DAC members provide real, on-the-ground insight into the experiences of students and families.

These insights may highlight connections to:

- Workforce & Economic Development
- Public Safety & Youth Engagement
- Quality of Life

This approach centers community impact and strengthens alignment between education, families, and the city's long-term goals.
